SUPPLIES FOR SHELTERING DURING A CYCLONE

An Emergency Kit is essential for short term survival (up to four days) whether you choose to stay at home or need to relocate to safer accommodation. An Emergency Kit is a collection of items that are essential for your household’s needs in the event of any emergency.

Keep your kit in a sturdy bag or waterproof storage box, which is stored in a safe and easily accessible place.

START YOUR EMERGENCY KIT with the following items

- Medication
- First aid kit
- Toiletries, sanitary supplies
- Drinking water (to last at least four days)
- Canned food (to last at least four days)
- Portable, battery operated AM/FM radio
- Waterproof torch
- Spare batteries

REMEMBER TO CONSIDER YOUR PETS.
What do they need? These items should be included in your Emergency Kit.

A RELOCATION KIT IS AN ADDITION TO YOUR EMERGENCY KIT.

A Relocation Kit contains the items you need to add to your Emergency Kit when you need to relocate to safer accommodation. Go to Fact Sheet 3 to find out about Relocation Kits.
