Hi, I'm Olivia Halliday. Entrepreneur with two local businesses, resident of Paraburdoo and previous Local Government Experience.

Most of you would know me as Liv from either The Vault or Hair by Liv. I'm constantly asked why two businesses, well its simple... becasue our community needed them. I work hard and long to provide these much needed services to our community but with a great support network and team I'm ready to take the next step to help making changes and improvments to our community.

I am passionate about small businesses, the community, families and more. Everyone deserves to have their voice heard, after personally living within the Shire of Ashburton for over 8 years I understand the difficulties of living remote.

By voting for me its a promise to advocate for all small businesses, community development especially young families and groups. I strongly believe we can do more to keep families here and have more opportunities available.

Dont let your vote go to waste!
