Hi, I'm Brie; a Small Business owner, Arts educator and community volunteer based in Tom Price; where I have lived for seven years.

You can find me teaching dance, yoga and circus through my business From Dust Creative Arts, driving projects volunteering as Chair of the Arts & Cultural Centre and booking tours at Go West Tours.

I am passionate about seeing opportunities increase for the residents of our remote towns and Indigenous communities; particularly the next generation and believe my voice is one of diversity and positive change.

I'm interested in advocating for families, pursuing policy changes and seeking creative solutions to Housing access, Arts & Cultural Infrastructure and Programming, Small Business support and broadening Education and Sustainability opportunities as well as Tourism.

A vote for me is a vote for positive growth and change.
