As Para Tennis Junior Coach, Bowling President for three years, Men's Shed President, and Justice of Peace, I've served actively. I'm a Para Golf Club Life Member, licenced pilot, and RFDS fundraiser.

I've enhanced our town from pool upgrades to oval improvements, Netball/Tennis courts, and community sculptures.

Looking ahead, I'll push for reestablishment of the Youth Centre, better medical services, and a vibrant town through the Tidy Town initiative. Urgent upgrades include practical enhancements like dust reduction and pedestrian safety on the pump track and bike track.

I aim to be your voice, fostering growth, transparency, and community. With your support, I'll turn ideas into actions.

Linton Rumble – Written Statement

I am Linton Rumble, seeking your endorsement for the Paraburdoo Ward. My deep ties to this community span thirty-eight years, beginning with my tenure at Hammersley Iron and continuing through roles at Spotless and Sodexo. My journey has been defined by dedication, commitment, and a genuine passion for our town's growth and well-being.

My involvement goes beyond the ordinary. As the Paraburdoo Junior Tennis Coach, I've nurtured young talent, while my three-year term as Bowling President speaks to my leadership and commitment to fostering connection. Serving as the Men's Shed President allowed me to contribute to a vital community hub, and my role as a Justice of Peace demonstrates my dedication to serving our community's legal needs.

I am proudly a Life Member of the Paraburdoo Golf Club and a Certified Tennis Coach. My commitment to our community extends beyond these roles. I undertook a fundraising initiative for RFDS through the Outback Air Race, raising 19k for our community.

I've also actively participated in town enhancements. From advocating for pool heating, and implementing oval improvements, to championing the development of netball/tennis courts, and community sculptures. I've worked to make our town an even better place to live.

Looking ahead, my vision is firmly rooted in progress. I am determined to advocate for the reestablishment of the Youth Centre, improved medical services, and a flourishing town through initiatives like the Tidy Town Paraburdoo project. Urgent upgrades, including bolstering emergency services, car park shelters and addressing practical concerns like dust reduction and pedestrian safety, will be priorities.

I am ready to be your voice on the Council, striving to nurture growth, ensure transparency, and enhance the well-being of our community. With your valuable support, I am committed to turning ideas into actions, driving tangible positive change.
