

APPROVAL TO CARRY OUT A CONTROLLED ACTIVITY APPLICATION FORM

The Shire of Ashburton as the operator of Onslow Airport must ensure the protection of airspace required for the airport’s current and future operations .This is essential to provide a safe, predictable environment for the arrivals and departures of aircraft

Please complete the following and return to Onslow.airport@ashburton.wa.gov.au

IMPORTANT - Assessments will take a minimum of 3 working days, however due to the complexity of some assessments, other aviation agencies may need to be involved resulting in a potential 30 day approval time. Changes to this application cannot be made with prior approval from Onslow Airport Operations Team.
