

PARABURDOO CHILDCARE CENTRE

Childcare Centre Gets Green Light

The Shire of Ashburton, in partnership with Rio Tinto, is excited to announce that the construction of a modern, purpose-built Childcare Centre to meet the needs of the Paraburdoo community will be commencing soon:

- Located in the town centre with easy access to the school, recreation facilities and shopping area
- 73 place childcare centre with provision for long-term & after-school care places
- Modern, safe facilities
- Landscaped playground with shaded areas

The \$4.66 million Childcare Centre will support families living in an isolated region through the increased provision of long-term and after-school care for children, which is not readily available through usual family and support networks.
