

You're invited to an information session about the future of our Chambers of Commerce

The Pilbara Inland Chamber of Commerce and Onslow Chamber of Commerce are exploring ways to strengthen the advocacy, business support and networking opportunities for businesses in Tom Price, Onslow, Paraburdoo and Pannawonica.

This includes investigating the option of amalgamating the two existing Chambers of Commerce.

At this information session you'll learn about the two options being considered and what that could mean for your business and the wider region. You will have an opportunity to ask questions and discuss the potential impact of the options presented.

Your feedback matters. The decision on the future of the Chambers will be made based on the findings of an independent survey of businesses operating in the Shire of Ashburton. The survey will commence after the information sessions.

EVENT DETAILS

When:

- 4.30pm, Thursday 9 February
- 12pm, Friday 10 February
