I am proud to nominate for the Shire of Ashburton Council. I am committed to Tom Price being a vibrant, inclusive, and liveable town for all. Having called Tom Price for over six years with my wife and three sons, I understand the unique strengths and needs of our community and Shire.

With a deep passion for grassroots involvement, I have served on multiple committees during my time in Tom Price and my leadership in these roles reflects my dedication to supporting local groups and clubs together and strengthen community bonds.

My vision for Tom Price and the Shire is to enhance liveability, support youth initiatives and connect community to the same opportunities and services as our larger Pilbara counterparts.

I believe that strong communities are built through collaboration, transparency, and a shared commitment to progress. I am committed to ensuring Tom Price, and the Shire of Ashburton remain a great place to live, work, and raise a family.
