Part C - Acknowledgement of Risks, Injury and Other Obligations

Intending members are strongly urged to seek advice from their General Health practitioner before joining. You join and use the Onslow Gym facility at your own risk.

The facility is unsupervised, and members should familiarise themselves with the safe operation of all equipment before using it. Please read the instructions near each machine before use.

I acknowledge that the use of gym equipment and physical exertion could potentially be dangerous. By actively participating I could be exposed myself to increased risk or loss by other means or expose others to risk.

I acknowledge and understand that whilst participating in such activities:

- I may be injured, physically or mentally or fatally;
- My personal property may be lost or damaged;
- Other persons participating in such activity may cause me injury or may damage my property;
- I may cause injury to other persons or damage their property;
- The conditions in which the activity is conducted may vary without warning;
- There may be no or inadequate facilities for treatment or transport of me if I am injured;
- I assume all and any risks that I may expose myself to and fully accept sole responsibility for any injury, death or property damage resulting from my participation in the activity.

Appropriate covered footwear and a shirt must be worn, and towels must be always used whilst in the gym.

Each member must respect other gym users and behave in an appropriate manner at all times. No one under the age of sixteen (16) years will be permitted to enter the gymnasium under any circumstances.

Please ensure you return any equipment to its original state when you have finished, including;

- Returning weights and bars to their rack;
- Unloading plates from machines and bars; and
- Returning equipment to its storage location.

As a courtesy to other members, please ensure you wipe down all equipment used.

Part D - Terms and Conditions

By submitting a membership application, you agree to be bound by this agreement in full and all requirements and obligations.

Memberships are not refundable or transferable.

A membership may be paused for a period of not more than 4 weeks for medical reasons or for recreational purposes. A written request is required, and each request will be considered on its own merits.

Part D – Continued....

Family upgrade may occur, but membership is backdated from the commencement date of the initial single membership and valid only until the original single membership expiry date.

Shared gym access with a non-member will result in forfeiture of membership effective immediately. Random CCTV and physical audits are undertaken

Shire of Ashburton staff reserve the right to rescind the rights of members not complying with the terms and conditions of the membership.

Membership renewals will not be issued. It is up to members to keep their membership current.

Facility Access

Access to the gym facility is managed through an approved mobile phone application (“Avigilon Alta App”). All members are required to use this access App as the primary method of entry.

If you experience technical difficulties, encounter an access error, or are otherwise unable to enter the facility using the Access App, please contact the Shire as soon as practicable. Our team will assist in troubleshooting or restoring your access.

For individuals who do not possess a compatible smartphone or are unable to use the Access App for legitimate reasons, alternative access arrangements may be provided upon request. Please note that such arrangements will incur a bond fee, in accordance with applicable Shire policies and charges.

Part E – Release and Indemnity Declaration

I acknowledge that I have read, understand and hereby agree to the Acknowledgement of Risks, Injury and Obligations and the Terms and Conditions of this membership as defined on this form and know that it affects my legal rights.
