## GALLANAGH, Melanie

Pannawonica has been my home for over 16 years, and I absolutely love this wee town. I have always been an active, passionate member of the community having volunteered in different capacities over the years, including the Panna Fire brigade, Ambulance, RFDS Fundraising. I have secured funding for various groups, the community garden, rotunda, the BMX Track, inflatables for the pool and recently the Mens shed. Everything I do is for the greater good of this amazing wee community and all the people in it. We need to continue to invest in our communities. Pannawonica has always been unique in that regard and still needs a voice. I will continue to advocate for Pannawonica and represent the views of the community to the council. I appreciate your vote and thank you for your continued support.
