SULLIVAN, Alana

I am Alana Sullivan, a long term resident of Paraburdoo, mother, volunteer and passionate community member.

Being a strong advocate for the development and well-being of our community and having raised 4 children and living here for the past 17 years I feel that I am well placed to represent your needs. I champion families, community development, diverse community views, promote volunteers and am passionate about work life balance and respectful working relationships. I believe in giving back to the community and want to see Paraburdoo grow and thrive for our current and future generations. I understand the difficulties of living in a small town and will work hard to maintain and improve our facilities.

A vote for me is a vote for the everyday community member who represents us all.
