

Tidy Towns Design a Bin Sticker

This offer is for the printing of 18 bin stickers, of up to nine designs.

Messaging of the sticker is about putting rubbish in the bin to keep the community beautiful.

*These are **not** about recycling and composting. Please see **WasteSorted Toolkit** for information about waste separation.*

Leave space on your design for your Local Government logo to be included.

Name

Scan and email tidytowns@kabc.wa.gov.au
Please also attach a high resolution logo.
