DIVER, Doug

I have lived here for 16 years, owned my own business and currently work for Rio Tinto.

During this time I have been involved in many clubs and I am a proud life member of 2 clubs in Tom Price.

I would like to see S.O.A diversify more, improve our facilities across the Shire, improve our roads, encourage residential employment . Promote, improve our towns and tourism for our region.

During my last 4 year term on council we have seen some good changes, The new Child Daycare and Emergency Co-location, new footpaths, Refurbishment of the Tom Price tennis courts, Lights on Minna oval and the softball oval, Some projects being planned at present are the cover over the netball/basket ball courts, Pump track and 2nd stage of the skate park.

I look forward to remaining a voice on council.
