## HEALY, Brie

Hi, I'm Brie; a Small Business owner, Arts educator and community volunteer based in Tom Price. You can find me teaching dance through my business From Dust Creative Arts, driving projects volunteering as Chair of the Arts & Cultural Centre together with youth at the Baptist Church, caring for children in creche at BOSS Family Fitness plus instructing yoga at Nintirri. I am passionate about seeing opportunities increase for the residents of our remote towns and Indigenous communities and believe my voice is one of diversity and positive change. I'm interested in advocating for families; pursuing policy changes and seeking creative solutions to Housing access, Arts & Cultural Infrastructure and Programming, Small Business support and broadening Education and Sustainability opportunities.
