

WASTE SERVICES

Bin Collection Information

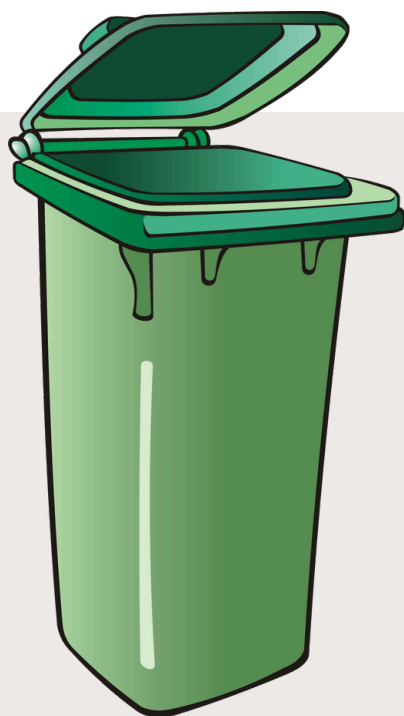

- 240L wheelie bins must be placed outside the front of your property **before 6:00am on collection days.**
- Bins must be placed 1 metre from the kerb and with a minimum of 0.5–1 metre clear space on either side, away from letter boxes, posts, boats, vehicles, branches and valuable assets.
- Place all rubbish inside the bin – rubbish not placed in the bin won't be collected.
- Only Council approved bins will be collected.
- Bin wheels should be facing your property.
- Shire operators may take photos to notify residents why a bin was not collected.
- Contents must be less than 70kg – do not overload your bin.
- Overfilling or compacting your bin with cardboard or lawn clippings that are not bagged, and jamming the waste will prevent its contents being emptied.
