# Community consultation

Community consultation was carried out in October 2020.

During the session over 31 young people, parents and interested community members participated in an onsite design consultation where they took part in a series of presentations, design activities, a survey and photo shoots.

The survey concluded that the most popular option for the skatepark extension was a large flow bowl.

**WE SPOKE TO**  
**31 PARTICIPANTS**

**WHAT IS YOUR GENDER?**

**WHAT AGE GROUP ARE YOU IN?**

**WHAT IS YOUR SKILL LEVEL?**

**TOP FIVE NON SKATEPARK OBSTACLES YOU HOPE TO SEE IN THE UPGRADE**

**TOP FIVE BOWL OR SNAKE RUN EXAMPLES**

# Tom Price Skate Park Upgrades

Stage 1 works to be completed in the 2020/2021 financial year

Stage 2 works will be completed in the 2021/2022 financial year

# Tom Price Skate Park Upgrades

Works to be completed in Stage 1 include :

- ✓ Installation of a chilled water filter
- ✓ Installation of shade sails
- ✓ Sofffall installed on the internal dirt areas
- ✓ Safety rail installation at areas of concern

The Community will be kept up to date on any closures through our Media team, the unavailability of this facility will be kept to a minimum.

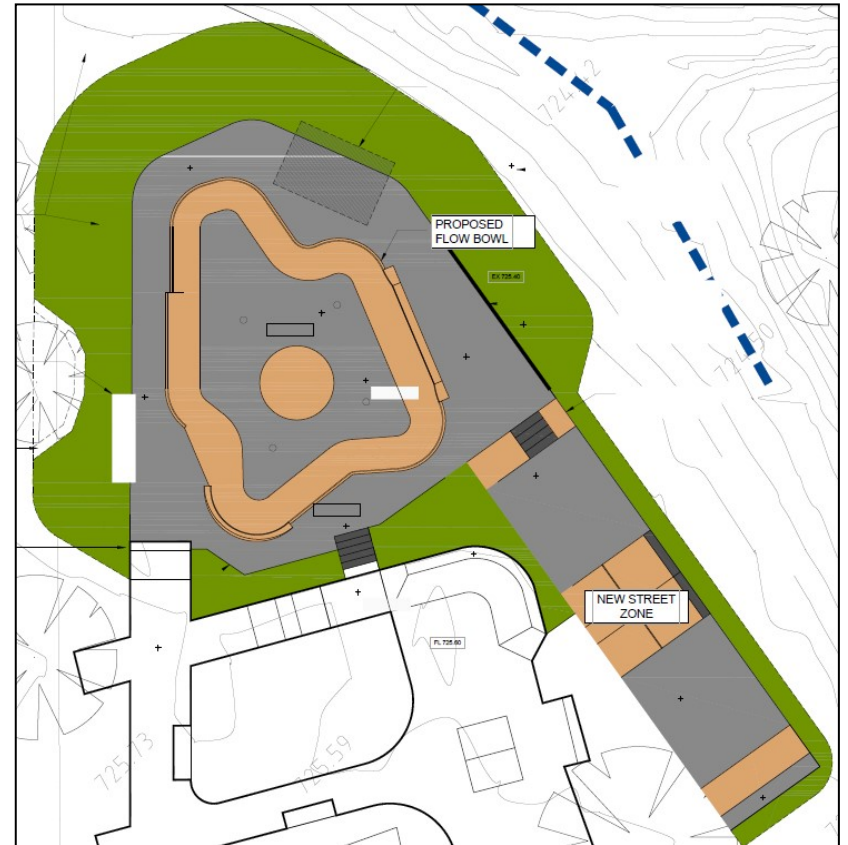

# Tom Price Skate Park Upgrades

Works to be completed in Stage 2 include :

- ✓ Construction of a flow bowl
- ✓ Construction of a street zone including the installation of new skate features
- ✓ More seating options

Community access to this area will be unavailable for the duration of these works.

All construction areas will be fenced off until complete.

# What's next?

- ✓ Stage 1 upgrade works will be carried out by local contractors where possible
- ✓ Specialist suppliers will complete all other works
- ✓ A final concept will be drafted
- ✓ Stage 2 will be progressed in the 2021/2022 financial year
