

**Onslow Water Tanks
Artwork Selection Working Group**

Confidentiality and Conflict of Interest Declaration

I, _____ being a representative on the Onslow Water Tank project's Artwork Selection Working Group hereby agree to the following confidentiality conditions:

1. To keep confidential all discussions of the public art panel and at no time attribute or disclose statements or opinions on any application or any other matter considered by the panel; this includes discussions regarding budgets, station designs, artist allocations;
2. To keep confidential all emails and correspondence relating to the project and the working group;
3. To keep confidential all information contained in the EOI submissions and concept designs; and
4. To keep confidential all recommendations and decisions made by the panel until released to the public.

I hereby agree to the following conditions:

1. To bring to the attention of the panel any submission from:
 - Any person to whom I am related;
 - Any person with whom I have a close personal relationship; and/or
 - Any submission from which I might financially benefit.
2. To withdraw from the panel if requested by the Artwork Selection Working Group facilitator if the Artwork Selection Working Group facilitator and the Shire determines there to be a potential or apparent conflict of interest.
