

REQUEST FOR QUOTATION

RFQ 16.23

Peter Sutherland Cricket Pitch and Encloser Maintenance

October 2023

1. INTRODUCTION

The Shire of Ashburton (Shire, Principal) is seeking to engage a suitably registered, qualified, and experienced Contractor to complete maintenance items outlined below in the scope of works for the Peter Sutherland Oval Cricket Pitch and Encloser, located on Lot 555 Fortescue Road, Paraburdoo WA 6754.

2. SCOPE OF REQUIREMENTS/WORKS

The scope of works is for the Peter Sutherland Oval Cricket Pitch and Peter Sutherland Training Encloser Pitches.

The Shire proposes the following two (2) options for the Works for Peter Sutherland Oval cricket pitch. Contractors are allowed to quote on Option 2 only, however if quoting on Option 1, a quote for Option 2 must be supplied:

A. Peter Sutherland Oval Cricket Pitch

• Option one (1)

- Removal and disposal of existing artificial cricket pitch turf (see Attachment 3 - Peter Sutherland Oval Cricket Pitch and Encloser Current Condition);
- Grind back and clean existing slab in preparation for concrete topper;
- Supply and install concrete topper pad conforming to AS3600 to existing concrete pad to raise pitch up to ground level;
- Apply relevant external adhesive to slab;
- Supply and install new artificial cricket pitch turf, artificial turf must be of current AFL CA Synthetic Turf Certification (see Attachment 2- AFL- Cricket Australia Synthetic Turf Product Certification);
- Roll slab with heavy base roller to push out any bubbling and ensure correct adhesion;
- Mark out and paint lines to each end using specialised artificial turf paint; and
- Clean and dispose of all waste.

• Option two (2)

- Removal and disposal of existing artificial cricket pitch turf, and concrete pad;
- Prepare and form up ground;
- Supply and install concrete pad conforming to AS3600 pitch to be level with oval ground level;
- Apply relevant external adhesive to slab;
- Supply and install new artificial cricket pitch turf, artificial turf must be of current AFL CA Synthetic Turf Certification (see Attachment 2- AFL- Cricket Australia Synthetic Turf Product Certification);
- Roll slab with heavy base roller to push out any bubbling and ensure correct adhesion;
- Mark out and paint lines to each end using specialised artificial turf paint; and

- Clean and dispose of all waste.

B. Peter Sutherland Training Encloser Pitches

- Removal and disposal of existing torn and damaged black rubber (see Attachment 3 - Peter Sutherland Oval Cricket Pitch and Encloser Current Condition);
- Supply and install new bolts and secure new black rubber 10mm thick by 1200mm high running along the length of both side to each pitch and both backstops; and
- Clean and dispose of all waste.

Waste material from the construction works (only) can be disposed of at an appropriate waste facility at the Contractor's expense. The Contractor is to provide an allowance for this in the pricing schedule.

The Shire of Ashburton has waste facilities in Tom Price and Paraburdoo, operating hours are available on the Shire's website.

No removed items are to be sold, donated, or given away without prior Shire written approval.

3. DELIVERABLES

The Shire advises that it is unable to provide any guaranteed works or minimum level of appointment as a result of this Request for Quotation.

The Principal intends to award the Request for Quotation to a single supplier. The Principal may however remove sections of the proposed works from the contract to align with available budget allocations.

In addressing the requirements of this request and responding to section 5. '**Selection Criteria**' respondents should ensure that all information requested has been provided and all areas of the selection criteria have been appropriately addressed.

Respondents are advised that appointment as the successful Consultant or Company to this Request for Quotation does not restrict the Shire from engaging the services of any other person or company to provide similar services, if in the opinion of the Shire the standard of services provided by the Consultant or Company are not to an acceptable standard or the alternate provider is better able to provide such services.
