2	07/2015	4.2.1	Shane Roulstone (Tom Price)	Q1. Has Council considered implementing 5 minute parking zones between 7am and 4pm on school days for the 170m stretch of Tamarind St - outside the Tom Price Primary School? This would allow parents to safely drop off and pick their children, which is not possible when the parking area outside the school is taken up by other vehicles, which causes parents to double park or park on the other side of the street, which significantly increases the risk of a child being hurt on the road at drop off and pick up times. The "P5min - Drop off & Pick up only during school days" is widely used by many councils to help keep children safe.	Ongoing Ranger Services have requested changes to the line marking and signage outside the school but are waiting on availability of contractors.
				There may be some merit in introducing restricted parking in front of the school on Tamarind Street however the matter needs some prior investigation. As such, it is suggested that the Shire engage in consultation with the school and any other relevant parties, to facilitate an investigation of the cause and severity of the parking problems in this location, and the best way of addressing the concerns raised regarding	once the above has occurred, leaflets will be provided to the school to advise of changes and expectations around parking.

#### Summary

Following the Election on the 19 October 2013 Council must appoint Councillors and staff members to various committees on which it is represented.

#### Background

Being the first Ordinary Meeting of Council following the General Local Government Elections on the 19 October 2013, Council is required to give consideration to appointing Councillors and staff members to various committees on which it is represented.

#### Comment

Attached to this Agenda is a list of the appointments made at the Ordinary Meeting of Council held on 19 October 2011.

#### ATTACHMENT 7.1

Staff have reviewed these Committees, Working Groups and External Committees and the suggested appointments are detailed in the recommendation.

In respect to Deputies, it is suggested that Council appoint the Councillors who are not members to the Committee as Deputies so they are able to attend and participate in Committee meetings to ensure quorums.

For the sake of completeness all Committees, Working Groups and delegations have been included.

Committees (eg Land Conservation Committees or Development Assessment Panels) where an appointment is for a particular term have been included as the representative's term is current.

#### Consultation

CEO & Executive Managers

#### **Statutory Environment**

Local Government Act 1995, Part 5 Subdivision 2, Sections 5.8 to 5.18 Local Government (Administration) Regulations 1996 – Regulation 4.

A local government may establish (by an absolute majority) committees of three or more persons to assist the Council and to exercise the powers and discharge the duties of the Council. Council may also appoint Councillors to represent it on external committees such as those established by the State Government (e.g., Land Conservation District Committees).

A committee is to have as its member's persons appointed (absolute majority) by the local government to be members of the committee. At any given time each Councillor is entitled to be a member of at least one committee and if a Councillor nominates himself or herself to be a member of such a committee or committees, the local government is to include that Councillor in the persons appointed to at least one of those committees as the local government decides (section 5.10 Local Government Act 1995).

If at a meeting of the Council a local government is to make an appointment to a committee that has or will have a Councillor as a member and the President informs the local government of his or her wish to be a member of the committee, the local government is to appoint the President to be a member of the committee.

Where a person is appointed as a member of a committee the person's membership of the committee continues until:

- The person no longer holds the office by virtue of which the person became a member, or is no longer the CEO, or the CEO's representative, as the case may be;
- The person resigns from membership of the committee;
- The committee is disbanded; or
- The next ordinary election day, whichever happens first.

A committee member may resign from membership of the committee by giving the CEO or the committee's presiding member written notice of the resignation.

#### SHIRE OF ASHBURTON FOR THE PERIOD 1 JULY 2015 TO 31 AUGUST 2015 Report on Significant variances Greater than 10% and \$20,000

#### Purpose

The purpose of the Monthly Variance Report is to highlight circumstances where there is a major variance from the YTD Monthly Budget and YTD Actual figures. These variances can occur because of a change in timing of the activity, circumstances change (e.g. a grants were budgeted for but was not received) or changes to the original budget projections. The Report is designed to highlight these issues and explain the reason for the variance.

#### The Materiality variances adopted by Council are:

Actual Variance to YTD Budget up to 5%: Actual Variance exceeding 10% of YTD Budget Actual Variance exceeding 10% of YTD Budget and a value greater than \$20,000:

#### **REPORTABLE OPERATING REVENUE VARIATIONS**

#### Health - Variance above budget expectations

First two installments of Aborignial Health grant received ahead of budget schedule. Annual food premises registration fees were renewed in August by most food vendors ahead of the monthly phased budget.

#### Education and Welfare - Variance above budget expectations

Rio Tinto funding towards Paraburdoo Childcare Centre received well ahead of budget schedule.

#### Community Amenities - Variance above budget expectations

Rio Tinto contribution towards community events received as a lump sum, rather than installments as expected. Commercial Refuse Collection bulk invoiced in August as usual, budget phasing incorrectly spread over monthly, to be corrected in next report.

#### Recreation and Culture - Variance down budget expectations

The Onslow Pool Construction has been delayed due to the termination of its contract with SGL due to performance issues. This has seen a delay in the timeline for the completion of Stage 1 (PIP 1).

#### Transport - Variance below budget expectations.

Income expected to be generated from passenger tax and security screening delayed, behind budget schedule. Chevron contributions towards Onslow airport project delayed until works are progressed as per funding agreement.

MRWA Direct Road Grant were not received in August as expected.

Storm/Flood claims will be received once repairs have taken place. These works are delayed due to contractor unavailability.

#### Economic Services - Variance above budget expectations.

Higher than expected income generated from Ocean View Caravan Park, resulting from increased usage in July & August.

#### Other Property and Services - Variance above budget expectations

Unbudgeted insurance claim received in August.

### REPORTABLE OPERATING EXPENSE VARIATIONS

#### Governance - Variance above budget expectations

All Administrative cost allocation & recoveries deferred till previous year financials are finalised.

#### Law, Order & Public Safety - Variance below budget expectations

Delay in recruitment of budgeted Pound Keeper. Cyclone response costs will pick up in cyclone season.

#### Health - Variance below budget expectations

Mainly due to delay in posting of administration allocation recovery journals as well as delayed recruitment of budgeted technical officer and consultant hire.

### Education and Welfare - Variance below budget expectations

Generally lower than expected spending on youth services, mainly Onslow Kids Kitchen Garden.

#### Housing - Variance above budget expectations

Mainly due to delay in posting staff housing allocation recovery journals.

### Community Amenities - Variance below budget expectations

Lower than expected spending on Onslow transfer station and refuse transportation.

#### Recreation & Culture - Variance below budget expectations

Variance mainly attributed by delay in recruitment of new pool staff and delayed settlement of Tom Price recreation centre utilities bill.

Delay in posting of depreciation, staff housing & admin allocation journals.

#### Transport - Variance below budget expectations

Flood damage repairs delayed due to contractor unavailability. Generally lower than expected spending on terminal operating and maintenance costs. Depreciation run delayed.

Delay in posting depreciation journals.

#### SHIRE OF ASHBURTON FOR THE PERIOD 1 JULY 2015 TO 31 AUGUST 2015 Report on Significant variances Greater than 10% and \$20,000

#### Economic Services - Variance below budget expectations

Expected spending on area promotion project costs & consultancy expenses delayed to September. Spending on Onslow airport camp transportal accomadation costs lower than expected.

#### Other Property and Services - Variance below budget expectations

Delay in commencement of asset management projects.

#### REPORTABLE NON-CASH VARIATIONS

#### **Depreciation on Assets**

Depreciation run for all assets on hold till Fair Value work on Infrastructure Assets is finalised for previous financial year.

#### **REPORTABLE CAPITAL EXPENSE VARIATIONS**

#### Purchase of Land & Buildings - Variance below budget expectations.

Expenditure for the Onslow Admin Complex, Paraburdoo Childcare Centre and Ocean View Caravan Park Upgrade are running behind budget schedule. Expenditure will catch up to budget timelines as projects reach full swing.

#### Purchase of Plant & Equipment - Variance below budget expectations.

Plant replacements and new purchases have not commenced as the budget was only adopted in August.

#### Purchase of Infrastructure Assets Roads - Variance below budget expectations.

Construction of cattle grids under budget due to a delay in the manufacturing of the product.

### Purchases of Drainage - Variance below budget expectations.

Contractor invoices for drainage works expected to be processed in September. Works will caught up to budget schedule in September report.

#### Purchases of Parks & Ovals - Variance below budget expectations.

Commencement of major projects running behind budget due to budget adoption in August, particularly the Onslow Basketball Courts, Peter Sutherland Oval electrical panel upgrade, & Paraburdoo Skate Park.

### Purchase of Aerodromes - Variance above budget expectations.

Works on Landside Facilities - PIP 3B has commenced ahead of budget schedule.

#### Purchase of Infrastructure Assets Other - Variance below budget expectations.

Commencement of major projects running behind budget schedule due to delay in budget adoption, particularly Onslow Refuse transfer station, site upgrade and tip closure and construction of New Waste Management Facility. Projects will catch up to budget timelines as construction gains momentum.

REPORTABLE CAPITAL INCOME VARIATIONS

#### Proceeds from Disposal of Assets Variance below expectations.

Sale of Hedditch Street property to be settled later in ther year.

Plant & vehicle disposal have not occurred due to delay in budget adoption.

### Proceeds from New Debentures - Variance above budgeted expectations.

Loan Repayment for Onslow Airport Camp due in August delayed to September.

#### *Transfers to Restricted Assets (Reserves) - Variance below budgeted expectations.* Reserve transfers to occur after the mid-year budget review.

#### Transfers from Restricted Assets (Reserves) - Variance below budgeted expectations.

Reserve transfers to occur in mid year budget review depending on commencement and progress of capital projects

Mr Troy Davis Executive Manager Infrastructure Shire of Ashburton PO Box 567 TOM PRICE WA 6751

Dear Troy

### HANDOVER OF SECTION OF ONSLOW ROAD

I refer to the meeting held at the Main Roads office in Perth on Wednesday 27 May 2015 to discuss handover requirements associated with the section of Onslow Road from the proposed new Ring Road (approx. SLK 77.0) to Beadon Creek Road (SLK 79.4).

Under normal circumstances, Main Roads would have relinquished control of the section of Onslow Road north of the new ANSIA access road. However under the *Onslow Solar Salt Agreement 1992* there is a requirement for the State to maintain a road to that facility. Therefore, it was resolved, in conjunction with State Development, that the new Ring Road be vested as a State Road. On that basis the remaining portion of Onslow Road, north of the new Ring Road, will become a Local Government road.

Main Roads has recently completed an assessment and identified the following treatments to bring that section up to a reasonable standard.

- Edge repair;
- Shoulder grading;
- Crack Patching;
- Surface correction;

- Pavement repairs;
- Single coat seal and
- Line marking.

I understand that there is community pressure to upgrade the Onslow Road-Beadon Creek Road intersection to allow 36.5 metre road train access into the local industrial area. Main Roads have investigated a number of options to improve access at this site – including widening of the existing intersection and a realignment whereby Onslow Rd would terminate at a T-junction and Beadon Creek Road became the through route. However, because of the number of services in the area there is no cost effective solution to improve access.

Although this may not be ideal for local businesses, there is a breakdown facility some 800 metres from the site. With road funds being so limited, it would be very difficult to justify an expensive upgrade of this intersection, particularly when traffic volumes on that section will reduce once the new Ring Road is completed.

The final issue that was discussed was the drainage associated with Shanks Road. Whilst this area may be subject to inundation during extreme weather Main Roads has not perceived it as a major issue and was not proposing any remedial works. I understand the Shire is planning to

mainroads.wa.gov.au enquiries@mainroads.wa.gov.au 138 138

investigate the matter further and if a low-cost treatment (i.e. less than \$5,000) can be identified to improve drainage flows it may be possible to incorporate these works as part of the handover improvements.

I trust this clarifies the situation but should you have any further questions please do not hesitate to contact Brad Pearce, Asset Manager, in our Carnarvon office, on tel: 9941 0712.

Yourssincerely

Mr Neil Hartley Chief Executive Officer Shire of Ashburton TOM PRICE WA 6751

Via email: neil.hartley@ashburton.wa.gov.au

Dear Mr Hartley

### HANDOVER OF SECTION OF ONSLOW ROAD

In reference to your letter dated 12 June 2015, I have outlined below the information and clarifications that you requested.

Cost estimates have been completed for various options to widen the Beadon Creek / Onslow Road Intersection. In each option, full reconstruction and widening of the intersection require relocation of above and below ground services and culvert extension works. These required items together will make any further upgrades to the intersection very expensive for the benefit that is provided. The new Onslow Ring Road will significantly reduce the light vehicle traffic using this intersection making it easier for heavy vehicles to access.

It is intended that the existing heavy vehicle breakdown facility will be part of the handover. The amenity building was constructed by and is already maintained by the Shire of Ashburton. There are no new breakdown facilities proposed as part of the new Ring Road construction. The Onslow Road / Ring Road intersection has been designed to accommodate triple road trains so that the existing break down area can be utilised. The parking bay entrance will be resealed with a high stress seal to ensure aggregate retention where the turning movements will occur.

In regards to the Shanks Road drainage investigation, Main Roads has only undertaken visual site inspections which were used as the basis for feasibility assessments. We captured some digital ground survey in 2010 as part of the full survey for the Onslow Road widening project. I will arrange emailing of this to you as a GENIO file, along with the cost estimates referred to above.

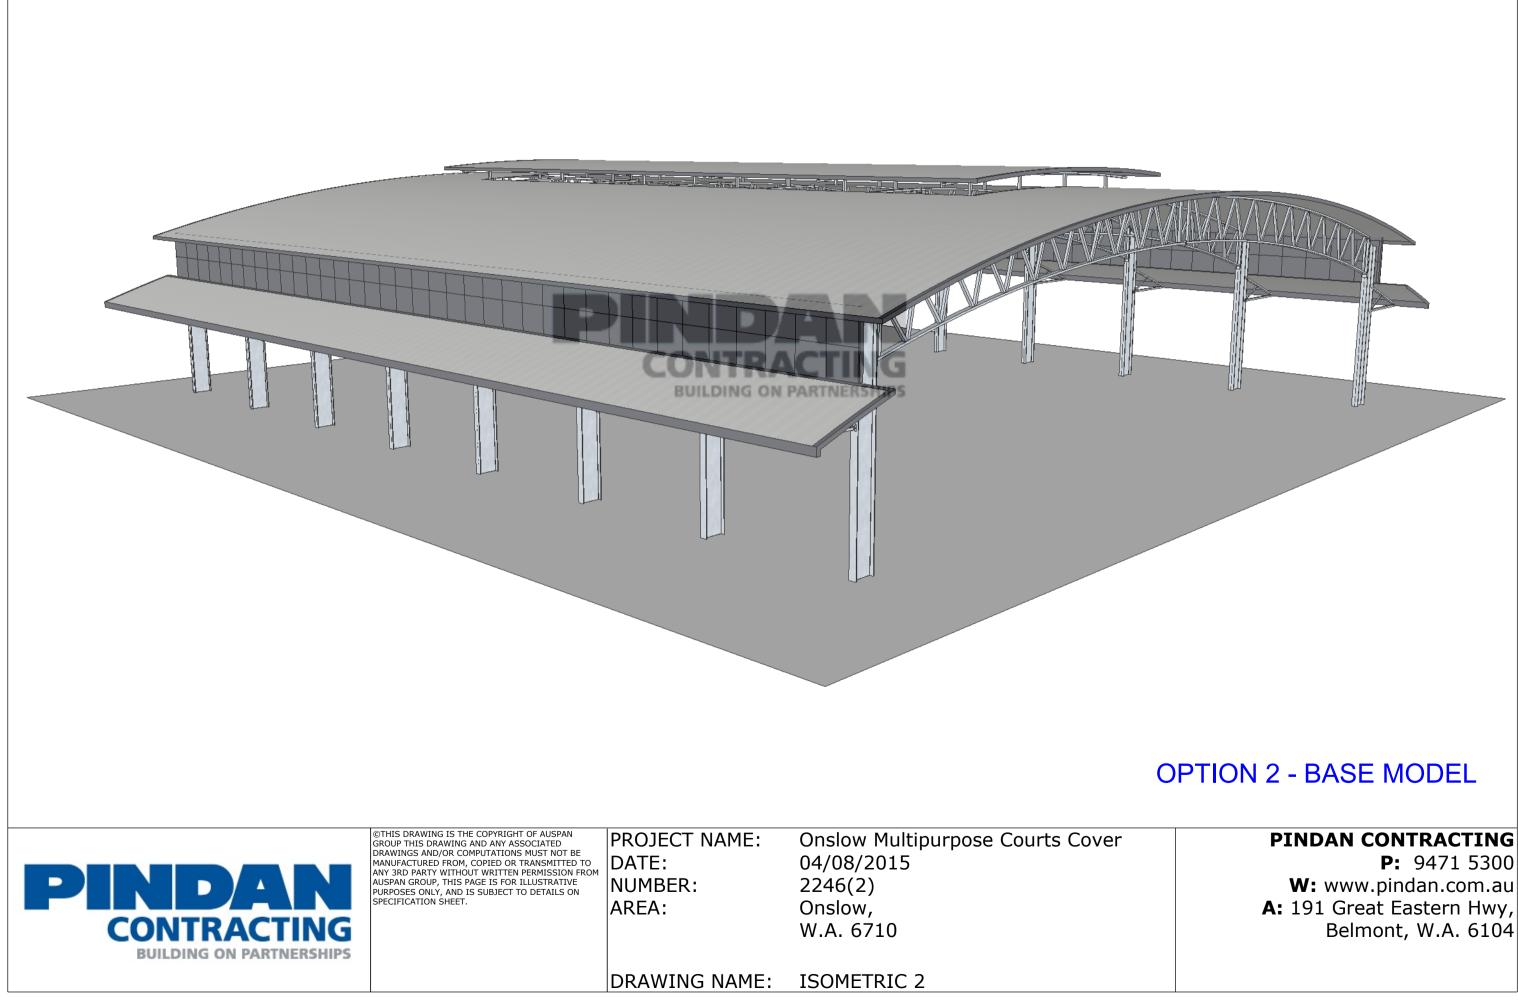

Please do hesitate to contact Kyran Thorpe on 9956 1266 if you require further information. I look forward to your agreement for the handover of the Onslow Road.

Yours sincerely
