

SHIRE OF ASHBURTON

ORDINARY COUNCIL MEETING

AGENDA

**Council Chambers, Community Recreation Centre
TOM PRICE**

18 May 2011

**SHIRE OF ASHBURTON
ORDINARY COUNCIL MEETING**

Dear Councillor

Notice is hereby given that an Ordinary Meeting of the Council of the Shire of Ashburton will be held on Wednesday 18 May 2011 at the Council Chamber, Community Recreation Centre, Tom Price commencing at 3.00 pm.

The business to be transacted is shown in the Agenda.

Jeff Breen
CHIEF EXECUTIVE OFFICER

13 May 2011

DISCLAIMER

The recommendations contained in the Agenda are subject to confirmation by Council. The Shire of Ashburton warns that anyone who has any application lodged with Council must obtain and should only rely on written confirmation of the outcomes of the application following the Council meeting, and any conditions attaching to the decision made by the Council in respect of the application. No responsibility whatsoever is implied or accepted by the Shire of Ashburton for any act, omission or statement or intimation occurring during a Council meeting.

3.05.02 APOLOGIES

3.05.03 APPROVED LEAVE OF ABSENCE

4.05.0 PUBLIC QUESTION TIME

4.05.01 RESPONSE TO PREVIOUS PUBLIC QUESTIONS TAKEN ON NOTICE

At the Ordinary Meeting of Council held on 20 April 2011 the following questions were tabled by Ann Eyre. The questions were taken on notice and the following responses are tendered.

- Q1. The filling of the road drop off, on the Beadon Creek Road and Second Avenue, to the NTC yard. The drop off from the side of bitumen to the dirt is quite dangerous in places and with the tourist season upon us there will be many large boats and caravans using these roads. Could this be done or included in the next budget please.**

Maintenance work has been completed on Beadon Creek Road. Extra works to be undertaken on Onslow Road when plant is available.

- Q2. It has been said that the recreation at 4 Mile Creek will be improved and made useable. Is this true and if so when?**

The project to upgrade 4 Mile Creek recreation area will be included as a consideration for Council for the 2011/2012 Budget.

- Q3. I have had conflicting reports from the WaterCorp on what they are doing to deal with the Onslow's water problem. Does the Shire have anything concrete from them?**

Water Corp has advised that it is upgrading the Cane River bore field to improve water supply to Onslow in the short term. Forward planning is being undertaken by Water Corp for a long term sustainable supply.

4.05.02 PUBLIC QUESTION TIME

5.05.0 APPLICATIONS FOR LEAVE OF ABSENCE

An application has been received from Cr Musgrave for leave of absence for the Council meeting being held on 15 June 2011.

6.05.0 PETITIONS / DEPUTATIONS / PRESENTATIONS

6.05.01 PETITIONS

6.05.02 DEPUTATIONS

6.05.03 PRESENTATIONS

David Lee and John Dagleish from the Gorgon Expansion Project, Chevron Australia Pty Ltd will be making a presentation on the Gorgon Expansion Project.

Ian Bell, Manager of Expansion Studies, Rio Tinto Pty Ltd will be making a presentation on the Coastal Water Project.

Mark Eaglesham, General Manager – Operations, Tom Price and Marandoo, Rio Tinto Pty Ltd, will be making a presentation on the major activities, programs, projects and changes that are relevant to Tom Price and Paraburdoo.

7.05.0 CONFIRMATION OF MINUTES OF PREVIOUS MEETING

7.05.01 ORDINARY MEETING OF COUNCIL HELD ON 20 April 2011

Officers Recommendation

That the Minutes of the Ordinary Meeting of Council held on 20 April 2011, as previously circulated on 4 May 2011, be confirmed as a true and accurate record.

8.05.0 ANNOUNCEMENTS BY THE PRESIDING PERSON WITHOUT DISCUSSION

9.05.0 DECLARATION BY MEMBERS

That councillors have given due consideration to all matters contained in the Agenda presently before the meeting.

9.05.01 DECLARATION OF INTEREST

Councillors to Note

A member who has a Financial Interest in any matter to be discussed at a Council or Committee Meeting, that will be attended by the member, must disclose the nature of the interest:

- (a) In a written notice given to the Chief Executive Officer before the Meeting or;
- (b) At the Meeting, immediately before the matter is discussed.

A member, who makes a disclosure in respect to an interest, must not:

- (c) Preside at the part of the Meeting, relating to the matter or;
- (d) Participate in, or be present during any discussion or decision-making procedure relative to the matter, unless to the extent that the disclosing member is allowed to do so under Section 5.68 or Section 5.69 of the Local Government Act 1995.

NOTES ON FINANCIAL INTEREST (FOR YOUR GUIDANCE)

The following notes are a basic guide for Councillors when they are considering whether they have a Financial Interest in a matter.

I intend to include these notes in each agenda for the time being so that Councillors may refresh their memory.

1. A Financial Interest requiring disclosure occurs when a Council decision might advantageously or detrimentally affect the Councillor or a person closely associated with the Councillor and is capable of being measure in money terms. There are exceptions in the Local Government Act 1995 but they should not be relied on without advice, unless the situation is very clear.
2. If a Councillor is a member of an Association (which is a Body Corporate) with not less than 10 members i.e. sporting, social, religious etc), and the Councillor is not a holder of office of profit or a guarantor, and has not leased land to or from the club, i.e., if the Councillor is an ordinary member of the Association, the Councillor has a common and not a financial interest in any matter to that Association.
3. If an interest is shared in common with a significant number of electors or ratepayers, then the obligation to disclose that interest does not arise. Each case needs to be considered.
4. If in doubt declare.

AGENDA – ORDINARY MEETING OF COUNCIL 18 MAY 2011

5. As stated in (b) above, if written notice disclosing the interest has not been given to the Chief Executive Officer before the meeting, then it **MUST** be given when the matter arises in the Agenda, and immediately before the matter is discussed.
6. Ordinarily the disclosing Councillor must leave the meeting room before discussion commences. The **only** exceptions are:
 - 6.1 Where the Councillor discloses the **extent** of the interest, and Council carries a motion under s.5.68(1)(b)(ii) or the Local Government Act; or
 - 6.2 Where the Minister allows the Councillor to participate under s.5.69(3) of the Local Government Act, with or without conditions.

AGENDA – ORDINARY MEETING OF COUNCIL 18 MAY 2011

10.05.0 ENGINEERING SERVICES REPORTS

10.05.09 ENGINEERING SERVICES DECISION STATUS REPORT

#	Council Meeting (mm/yy)	Agenda Ref.	Report Title	Council Decision	Current Status
1	04/11	10.04.07	Request for Transfer of Funds for the Expansion of the Tom Price Tip Site	That Council resolve to: 1. Transfer funding from the Onslow Transfer station to the Tom Price waste site to the sum of \$205,300.00. 2. Delegate to the CEO the responsibility to apply for and where appropriate approve any other applications or permits required to effect the decision to expand the Tom Price tip site.	1. Finalised. 2. Will be determined and implemented if necessary (May 2011)
2	02/11	16.02.03	Confidential Item – Private Works – BHPB ANSIA Road Macedon Dom Gas Plant	That Council: 1. Agrees in principle to pursuing the BHPB tender for access road construction for the Macedon LNG Project. 2. Appoints a project control group consisting of Cr Musgrave, Cr Corker, Cr Shields and Cr White (as proxy), the CEO and Operations Manager to consider the tender in greater detail and if the contract is offered to the Shire, advise whether to proceed or not. 3. Acting on the advice of the working party delegates the CEO to either accept or reject the contract. 4. Delegates the CEO, on the expiry of the statutory 6 week period, to accept the Business Plan providing no submissions have been received.	Completed Contract will not be offered to the Shire. (May 2011)
3	10/10	10.10.22	Proposed Relocation Of Recycling Facilities at Tom Price and Paraburdoo	That Council: 1. Relocate the recycling 'drop off' facilities in Tom Price to the Tom Price Land fill site. 2. Monitor the level of activity at the Paraburdoo Recycling Station with the understanding that this facility may, after consultation and agreement with the Paraburdoo Councillors be moved to Paraburdoo Land fill site.	The current locations offer the better service to the community and use has improved significantly. The service

Officers Recommendation

That Council note the contents of the Engineering Services Decision Status Report.

11.05.0 COMMUNITY & ECONOMIC SERVICES REPORTS

11.05.07 NAMELESS JARNDUNMUNHA FESTIVAL 2011 – REQUEST FOR FUNDING

FILE REFERENCE: CS.CE.01.00

AUTHOR'S NAME AND POSITION: Mabel Gough
Community Services Project Officer

NAME OF APPLICANT/RESPONDENT: Nameless Jarndunmunha Festival Committee c/o Linda McCarthy

DATE REPORT WRITTEN: 5 May 2011

DISCLOSURE OF FINANCIAL INTEREST: The author has no financial interest in the proposal.

PREVIOUS MEETING REFERENCE: Not applicable

Summary

In August 2011 the Nameless Jarndunmunha Festival is celebrating its 40th anniversary. The committee aims to increase the size of the festival to ensure that the event is marked on our residents and visitors calendar as the celebration of the year. The committee is requesting \$45,000 (combined cash and in kind), ranking the Shire as the second largest contributor to the event.

Background

The Nameless Jarndunmunha Festival is a community event which is held every year during the first week of August. Each year the Shire contributes combined cash and in kind donation to ensure the event is a success.

The Incorporated Committee comprising of 18 members have worked tirelessly to ensure a successful festival each year.

Comment

The Nameless Jarndunmunha Festival is the largest event on the Tom Price calendar each year. It requires support from all businesses, companies and individuals in the town to be an achievement. Without the support and the hard work of the committee the festival would not occur.

The festivities planned during the week include: Gala Ball, Street Parade, Fireworks, Peoples Exhibit, Side Show, Business Retail Outlets, Public Entertainment, and King of the Mountain. These events would not happen without the continuous and generous support from the Shire of Ashburton. Without large cash contributions from sponsors a number of the large 'ticket' events planned for the weekend will be downsized or cancelled. Details can be viewed in the Committee's Financial Budget attached.

ATTACHMENT 11.05.07

AGENDA – ORDINARY MEETING OF COUNCIL 18 MAY 2011

Approval of funding as requested will allow the committee to achieve the goals set out in the Business Plan. The festival will be the biggest Nameless Jarndunmunha Festival in 40 years. This event enhances our lifestyle in Tom Price by providing a combined community approach in organising and funding a quality recreational and community event.

Consultation

Chief Executive Officer
Executive Manager, Community & Economic Services
Nameless Jarndunmunha Festival Committee

Statutory Environment

- Local Government Act 1995
- Shire of Ashburton Health Local Laws 1998
- Occupational Safety and Health Act 1998

Financial Implications

Funding of \$15,000 cash has been provide in the 2010/11 Budget for the 2011 Festival as there are a number of activities that need to be pre-booked and deposits paid. Normally “in-kind” contributions such as employee time, ground hire etc amount to approximately \$20,000.

If approved the proposed contribution will be \$20,000 cash and \$25,000 “in-kind”.

Strategic Implications

The Nameless Jarndunmunha Festival Committee is in line with:

- The Shires Strategic Plan 2007 - 2011, Objective 2: Include and Engage our Community.

Voting Requirement

Absolute Majority Required.

Officers Recommendation

That Council supports the 2011 Nameless Jarndunmunha Festival by providing \$45,000 from the 2011/2012 budget.

Manager: Frank Ludovico	Signature:

12.05.24 CORPORATE CREDIT CARD – COUNCIL POLICY EMP24

FILE REFERENCE: FI.BA

AUTHOR'S NAME AND POSITION: Lisa Hannagan
Administration Manager

NAME OF APPLICANT/RESPONDENT: Not Applicable

DATE REPORT WRITTEN: 4 May 2011

DISCLOSURE OF FINANCIAL INTEREST: The author has no financial interest in the proposal.

PREVIOUS MEETING REFERENCE: Agenda Item 12.10.08 Ordinary Meeting of Council 24 October 2006.
Agenda Item 12.06.039 Ordinary Meeting of Council 20 June 2006.
Agenda Item 12.03.10 Ordinary Meeting of Council March 2008.
Agenda Item 12.03.06 Ordinary Meeting of Council 17 March 2009.

Summary

The current level of credit card funding allocated to the Chief Executive Officer and Executive Managers is proving inadequate.

Council's approval is sought to increase the available credit card limit from \$45,000 to \$55,000 and make changes to the current allocation of credit therefore amend Policy EMP24 "Corporate Credit Card" to reflect these changes.

Background

Council, at its meeting on 17 March 2009 agreed to the following allocations of credit card funds:

Chief Executive	\$10,000
Executive Manager Community & Economic Services	\$ 5,000
Executive Manager Corporate Services	\$ 5,000
Executive Manager Development Services	\$ 5,000
Executive Manager Engineering Services	\$10,000
Executive Manager Western Operations	\$10,000
	\$45,000

Comment

The benefits of using credit cards for booking flights and accommodation are not just in the convenience but also cost saving as there are no commissions charged to transact in this manner.

There are increasing pressures on the current credit card allocation for a variety of reasons including an expanding workforce and increased costs of flights. There is an ongoing need to participate in meetings in Perth regarding development projects occurring in the Shire.

AGENDA – ORDINARY MEETING OF COUNCIL 18 MAY 2011

At present Human Resources struggle to find available credit when booking flights to get potential staff to town for interview, existing staff to and from Perth for Training, Seminars or Workers Compensation appointments and for relocation of new staff to our various towns.

From an accounting perspective having flights booked for training, seminars, interviews, worker's compensation or relocation over a series of different credit cards is not ideal.

It proposed that a total pool of \$55,000 is required and that the HR Manager is allocated a balance of \$10,000 specifically for booking flights, accommodation and training.

ATTACHMENT 12.05.24

Statutory Environment

Local Government Act (1995) Section 6.5 (a) and Section 2.7 (2)(a) and (b).

Financial Implications

Nil

Strategic Implications

Strategic Plan 2004-1009, result Area – Best Practice Local Government “Develop sound financial management and reporting systems”.

Voting Requirement

Absolute Majority Required

Officers Recommendation

That Council:

1. Approve the increase in the overall card limit from \$45,000 to \$55,000;
2. Approve allocation of \$10,000 to the HR Manager for the purpose of booking HR related flights, accommodation and training;
3. Approve amendments to Council Policy EMP24 “Corporate Credit Card” as attached; and
4. Direct the Chief Executive Officer to ensure that proper use declarations are made by every card holder.

12.05.25 DRAFT COMMUNITY ENGAGEMENT POLICY

FILE REFERENCE:	OR.CM.10
AUTHOR'S NAME AND POSITION:	Lisa Hannagan Administration Manager
NAME OF APPLICANT/RESPONDENT:	Not applicable
DATE REPORT WRITTEN:	5 May 2011
DISCLOSURE OF FINANCIAL INTEREST:	The author has no financial interest in the proposal.
PREVIOUS MEETING REFERENCE:	Not applicable

Summary

The Draft Community Engagement Policy is to set a framework for all community engagement activities conducted by the Shire of Ashburton.

Community engagement provides the community with the opportunity to participate in planning for the future. It is critical to the successful development and implementation of policies and decisions for improving services by being responsive to the needs of the community.

Background

Legislative requirements for Local Government planning are changing to build the capacity of local governments to better plan, manage and deliver services to their communities.

The new Integrated Strategic Planning Framework will be in operation by 1 July 2012 with full implementation by 1 July 2013.

It is timely that Shire of Ashburton considers its long term approach to community engagement and takes the opportunity to put in place a formal Policy that will assist in the process.

Comment

The Shire of Ashburton has consulted widely with its communities over many years without a formal Community Engagement Policy. As Local Governments move towards greater efficiency and accountability, it is important that the Shire of Ashburton formalises their position on Community Engagement.

This is the first step of improving community engagement and will be refined as we implement the policy and obtain feedback.

A draft Community Engagement Policy is attached.

13.05.27 FURTHER REPORT – IMPLEMENTING DEVELOPMENT PANELS FOR LOCAL GOVERNMENT IN WESTERN AUSTRALIA

FILE REFERENCE: PS.SP.01.01

AUTHOR'S NAME AND POSITION: Rob Paull
Shire's Town Planning Consultant

NAME OF APPLICANT/RESPONDENT: Department of Planning

DATE REPORT WRITTEN: 7 May 2011

DISCLOSURE OF FINANCIAL INTEREST: The author has no financial interest in this matter.

PREVIOUS MEETING REFERENCE: Agenda Item 13.10.61 Ordinary Meeting of Council 27 October 2009
Agenda Item 13.04.24 Ordinary Meeting of Council 20 April 2011

Summary

At the Council meeting of 20 April 2011, Council nominated Cr Musgrave and Cr White as the Shire's local government representatives to the relevant Development Assessment Panel (DAP). Although the report recommendation referred to nominating two other councillors, no other nominations were put forward. The Shire wrote to the Department of Planning (DoP) with the nominations. DoP staff verbally suggested that in order to ensure Council representation on any DAP, that the Council again be asked if any other councillors may wish to nominate as alternative representatives. Essentially, if a DAP was required and either Cr Musgrave and/or Cr White were not available, it is likely that the DAP would proceed without Council representation.

Members are appointed for a two year term, are eligible to be reappointed and are subject to the normal local government criteria for disqualification from office. Local Government DAP members will be required to undergo training organised by the DAP Secretariat during May and June 2011, with provision of an allowance of \$400 paid upon completion.

Members will be eligible for a fee of \$400 per DAP meeting, \$400 for attendance at any proceeding in the State Administrative Tribunal and \$100 for any determination in regard to an amendment or cancellation of an already approved application. Travel expenses associated with DAP functions will be reimbursed.

It is recommended that Councillors nominate as the alternative representatives to the relevant Development Assessment Panel.

Background and Proposal

DAP's have been introduced by the State Government as part of a raft of amendments to legislation governing the planning system which in essence seek to improve its performance and outcomes.

At the Council meeting of 20 April 2011, Council nominated Cr Musgrave and Cr White as the Shire's local government representatives to the relevant Development Assessment Panel (DAP). Although the Report recommendation referred to nominating 2 other councillors, no other nominations were put forward. The Shire wrote to the Department of Planning (DoP) with the nominations. DoP staff verbally suggested that in order to ensure Council representation on any DAP, that the Council again be asked if any other councillors may wish to nominate as alternative representatives. Essentially, if a DAP was required and either Cr Musgrave and/or Cr White were not available, it is likely that the DAP would proceed without Council representation.

Nominated local government representatives will be required to undergo training organised by the DAP Secretariat with provision of an allowance of \$400 paid upon completion. Members are appointed for a two year term, are eligible to be reappointed and are subject to the normal local government criteria for disqualification from office.

Members will receive a \$400 fee for each DAP meeting attended and \$100 for the determination of an amendment or cancellation of an existing approved application.

Members will be required to attend proceedings in the State Administrative Tribunal with respect to determination of applications made by the DAP and are eligible for a fee of \$400 for such attendance. The written advice provided on DAP meetings states that they are conducted during normal weekday business hours. However, at a recent presentation undertaken by the DoP, it was suggested that such meetings will be held in the evenings. The Shire is seeking to have this confirmed. Travel expenses associated with DAP functions will be reimbursed.

The Department of Planning (DoP) has also advised that if, within the 2 year term, a local DAP member is not re-elected, they cannot hold the position of local DAP member. Local government elections may result in a change to local DAP membership if current councillors, who are DAP members, are not re-elected. In this instance, the deputy local DAP members will take the place of the former local DAP members. If both local and alternate (deputy) local members are not re-elected, the local government will need to renominate and the Minister to reappoint.

Comment

In order to ensure Council representation on DAP's associated with the Shire of Ashburton, it is recommended that councillors consider nomination as alternative representatives. In the event that there are more than two nominations for each of the above positions, it is recommended that a secret ballot be held to determine the alternative Council representatives.

13.05.28 DEVELOPMENT APPLICATION – 251 PERSON TRANSIENT WORKERS ACCOMMODATION FACILITY ON SPECIAL LEASE 3116 – 4627 DEEPPDALE ROAD, PANNAWONICA

FILE REFERENCE: PN.DP.0000.00

AUTHOR'S NAME AND POSITION: Rob Paull
Shire's Town Planning Consultant

NAME OF APPLICANT/RESPONDENT: Robe River Mining Pty Ltd (RTIO) who is the Primary Leaseholder

DATE REPORT WRITTEN: 7 May 2011

DISCLOSURE OF FINANCIAL INTEREST: The author has no financial interest in this matter.

PREVIOUS MEETING REFERENCE: Agenda Item 15.12.12 Ordinary Meeting of Council 15 December 2008

Summary

The Shire is in receipt of an Application for Planning Approval for a 251 person transient workers accommodation facility on Special Lease 3116-4627, Deep Dale Road, Pannawonica. This proposal is essentially a permanent village to service the Mesa A mine site.

At the Council meeting of 15 December 2008, Council conditionally approved a very similar application (for 250 person transient workers accommodation facility), however the development did not commence due to the global financial crisis. The Applicant (RTIO) advises that the project was placed on hold. The facility is proposed to remain in operation for the anticipated life of the Mesa A mine (previously advised to be 2020). RTIO has also advised that it is intended to remove Camp David at the end of 2012.

The 250 person transient workers accommodation facility planning approval has expired and RTIO now seek a new approval (with addition of one room due to minor room layout reconfigurations for the universal access). The proposal has been assessed against the provisions of the Scheme and Local Planning Policy "*Transient Workforce Accommodation*". The only area of non-compliance with the Policy is the proposal by the Applicant for 251 rooms, whereas the Policy seeks to limit the number of rooms for that type of camp ('Type A') to 200 rooms. The number of rooms sought directly relates to the operation of the Mesa A mine. All other aspects of the extensive Policy provisions comply.

It is recommended that planning approval be issued for the 251 person transient workers accommodation.

AGENDA – ORDINARY MEETING OF COUNCIL 18 MAY 2011

Background

At the Council meeting of 15 December 2008, Council conditionally approved a very similar application (for a 250 person transient workers accommodation facility) however the development did not commence due to the global financial crisis.

The Applicant (RTIO) advises that the project was placed on hold. This proposal is essentially a permanent village to service the Mesa A mine site. The site of the proposed village is vacant (except for 2 dilapidated buildings). However, the development will be incorporated into the existing development which is partially occupied by an existing car park, dry mess and workers accommodation units. The village will be situated approximately 500m from the sewerage ponds.

Comment

The land is zoned 'Rural' under the Shire of Ashburton Town Planning Scheme No. 7 ('Scheme'). Under the Scheme, the village is primarily defined as '*Transient Workforce Accommodation*' which means:

"... dwellings intended for the temporary accommodation of transient workers and may be designed to allow transition to another use or may be designed as a permanent facility for transient workers and includes a contractor's camp and dongas."

A '*Transient Workforce Accommodation*' is a permissible use.

Proposal

The Application before Council comprises 251 transient workforce accommodation rooms with associated supporting facilities and infrastructure. The transient workforce accommodation proposal is planned in two separate stages and the works subject of this application are outlined below.

3.1 Stage 1 (113 Rooms)

Construction of the following works:

- 37 x transportable buildings consisting of 3 rooms per building, equating to 111 rooms in total;
- 1 x transportable building consisting of 2 universal accessible rooms (identified as UAR on drawing WHP-SK-200);
- 4 x laundries;
- 2 x BBQ gazebo;
- 2 x room gazebos;
- 4 x locker rooms;
- 1 x communications building; and
- 6 x new carparking bays (south of the existing Town Office); and
- 4 x new carparking bays north of the UAR, refer to drawing WHP-SK-200).

3.2 Stage 2 (138 Rooms)

Construction of the following works:

- 46 x transportable buildings consisting of 3 rooms per building, equating to 138 rooms in total;
- 2 x laundries;
- 3 x locker rooms; and
- 9 x room gazebos.

Stage 1 works are proposed to commence in mid August 2011. Stage 2 works are proposed to commence post 2012.

ATTACHMENT 13.05.28

The assessment of planning applications, in general, relates directly to Clause 5.9 of the Scheme where in considering applications the Council shall have 'due' regard to the matters as relevant in Clause 5.9. Only Clause 5.9 (i) (ie. Consistency with Shire's Planning Policy "Transient Workforce Accommodation") appears to be unresolved. Matters such as landscaping, car parking etc can be dealt with as conditions. It should be noted that the Application was advertised and no objection was lodged. Matters such as social issues (Clause 5.9(m)) is difficult to ascertain and given there were no objections, unlikely to sustain as a ground of refusal.

The proposal has been assessed against the provisions of the Scheme and Local Planning Policy "Transient Workforce Accommodation". Specifically, the Policy States:

"4.5 Location of Camps

4.5.1 The particular location of any proposed camp is at the discretion of the Shire and will depend on the capability, suitability and appropriateness of the site for the proposal. The Shire does not support transient workforce accommodation camps located:

- *in a position or area that would adversely affect residential, rural residential or rural smallholdings uses or lifestyles or that would detract from any particular scenic or visual attraction;*
- *adjacent to recognised tourist routes, unless suitably screened or designed for permanent use;*
- *within any sensitive areas such as industrial buffer areas or waste water treatment plant buffers or the following zones:*
 - *Rural Residential;*
 - *Industrial and Mixed Business/Development;*
 - *Industry; or*
 - *Mixed Business.*

4.6 Density of Development

4.6.1 Type A camps should not exceed 200 accommodation rooms.

4.6.2 Type B camps shall provide the necessary number of accommodation rooms associated with the relevant operation.

4.6.3 The overall density of development of the camp should not exceed 100 persons per hectare.

4.6.4 The Shire may consider variations to the above requirements, subject to the proponent providing adequate justification for the proposed variation(s) to the satisfaction of the Shire."

AGENDA – ORDINARY MEETING OF COUNCIL 18 MAY 2011

The closest definition of the proposal under the Policy would be a TYPE A Camp – which are:

“...located within or in proximity to existing urban or resident populations, typically on land zoned for residential or commercial purposes. These camps may be further categorized into long term operational camps and (generally) shorter term construction camps.

The Council shall seek to ensure that any such development shall:

- *be of a very high quality for the benefit of occupiers, as well as the community; and*
- *reflect a motel/resort style development, with significant landscaping, recreation areas/facilities quality design and material.*

Council may seek to limit the overall proportion (%) of transient workforce accommodation within a development so that some tourist access may be available.”

It is noted that Pannawonica is zoned ‘Rural’ under the Scheme and does not reflect the definition of “..., typically on land zoned for residential or commercial purposes”. However, the site generally abuts the “... existing urban or resident populations...” of Pannawonica. The area of the new portion of the village (essentially the new accommodation area) is approximately 7.1 ha, giving a density of 35 people per ha. As noted, the Application is defined under the Policy as a Type A camp where the number of accommodation room should not exceed 200. The Application seeks 251 rooms.

In addressing the Application against the Policy, the following comparisons can be made:

Policy Provisions	Application	Comment
Is the Application in a position or area that would adversely affect residential, rural residential or rural smallholdings uses or lifestyles or that would detract from any particular scenic or visual attraction?	The Site abuts the rear of houses in Pannawonica and the accommodation units are set back from Deep dale Drive by approximately 150 metres.	The development is not unlikely to adversely affect the residential amenity, nor is it likely to detract from the visual attraction of the locality. In fact, the development would afford Council the opportunity to improve the general site through landscaping buffering of the existing development as well as providing additional parking areas.
Is the Application adjacent to recognised tourist routes, unless suitably screened or designed for permanent use?	Deep Dale Drive is not known as a recognised tourist route.	This aspect of the Policy is not considered relevant.
Is the Application within any sensitive areas such as industrial buffer areas or waste water treatment plant buffers or the following zones: <ul style="list-style-type: none"> • Rural Residential; • Industrial and mixed Business/Development • Industry; or • Mixed Business. 	The Application is located approximately 500 metres from the waste water treatment plant.	The only provision relevant is the water treatment plant buffers as – although no such buffers are applicable under the Scheme, normally a 500m separation would be considered adequate.

AGENDA – ORDINARY MEETING OF COUNCIL 18 MAY 2011

The proposal has been assessed against the provisions of the Scheme and Local Planning Policy “Transient Workforce Accommodation”. The area of possible non-compliance with the Policy relates to the establishment of 251 rooms, whereas the Policy seeks to limit the number of rooms for that type of camp (‘Type A’) to 200 rooms.

It is open for the Council to refuse or modify the Application in relation to non-compliance with the Policy. However it is suggested that refusal based solely on non-compliance with a Policy (limitation of 200 rooms) and without any other clear planning rationale is not a reasonable means to oppose an Application. Accordingly, it is recommended that the Planning Application be approved with an advice note to the Applicant stating:

“The Application for 251 rooms exceeds the “Transient Workforce Accommodation” Policy provision of 200 rooms, however in this instance and because it specifically relates to the operation of Mesa A mine, Council is willing to approve it in this instance.”

Consultation

Chief Executive Officer

The Application was advertised for 21 days in the form of a sign on site, notice in the Pilbara News (2 occasions), and notices on the Shire Website and available to the Shire’s Tom Price and Pannawonica offices.

Statutory Environment

Shire of Ashburton Local Planning Scheme No.7.

Policy Implications

Local Planning Policy “Transient Workforce Accommodation”.

Financial Implications

The Shire is able to recoup costs associated with this process from the proponent.

Strategic Implications

There are no strategic implications, which relate to this matter.

Voting Requirement

Simple Majority Required

Recommendation

That Council:

1. Approve the development application made by RTIO Pty Ltd for a 251 Person Transient Workers Accommodation Facility on Special Lease 3116-4627, Deep Dale Road, Pannawonica Shire of Ashburton in accordance with the endorsed plans, subject to the following conditions:
 - a) A Building Licence for the development should be obtained prior to May 18, 2013. This Planning Consent lapses if a Building Licence for the development has not been obtained by May 18, 2013. Further to this, if the development is not

AGENDA – ORDINARY MEETING OF COUNCIL 18 MAY 2011

substantially commenced in accordance with the Building Licence by May 18, 2013, then this Planning Consent lapses at that date.

- b) The Development shall comply with the Shire of Ashburton Town Planning Scheme No. 7, the Shire's Local Planning Policy – "*Transient Workforce Accommodation*", the Health Act, the Building Code of Australia, the Western Australian Fire Board Regulations and Local Laws.
- c) Plans submitted with the building licence application are to show details of stormwater and roof run-off disposal to the satisfaction of the Shire of Ashburton.
- d) Prior to occupation and use of the village the "owner of the land" shall enter into a signed agreement with the Shire of Ashburton, pursuant to Clause 6.9.4 of the Scheme. The agreement shall require the use of the structures to cease by 31 December 2020 or other period as agreed by the Chief Executive Officer and the structures be removed within 28 days.
- e) Vehicle parking, crossovers to Deep Dale Road, manoeuvring and circulation areas shall be suitably constructed, drained, sealed, kerbed, maintained and marked to the specifications and satisfaction of the Shire of Ashburton.
- f) Parking spaces, shall have dimensions of at least 5.5 metres by 2.5 metres with a 6 metre wide access way.
- g) Prior to the issue of a building licence, the Applicant shall submit a landscape plan and a landscape assessment to the satisfaction of the Shire of Ashburton. The Plan should indicate the location:
 - location and species of all trees to be removed and / or retained;
 - the location and type of fencing to be installed;
 - the location and type of reticulation to be installed; and
 - the location and type of paving to be installed.

The Plan should also include a plant schedule nominating each species, the spacing of each species, the numbers of plants required; and the size of each plant to be used at the time of planting, together with the anticipated height of each plant at maturity. The Plan should identify and include any adjoining road verges. The Plan must be submitted and approved prior to the issue of a building licence. In relation to the a landscape assessment, the Applicant shall determine the extent of visibility the buildings will have from the Deep Dale Drive and recommend suitable means (if any) by which the buildings do not dominate the landscape.

- i) Landscaping and reticulation to be installed within 12 weeks of the use commencing or occupation of the development and thereafter maintained to the satisfaction of the Shire of Ashburton.
- j) The design and layout of the buildings shall be consistent with the provisions of the Residential Planning Codes.

AGENDA – ORDINARY MEETING OF COUNCIL 18 MAY 2011

2. Advise the applicant as follows:

- I. Council has determined this application. Rights of appeal are also available to you under the Planning and Development Act 1928 (as amended) against the decision of Council, including any conditions associated with this decision. Any such appeal must be lodged within 28 days of the date of this decision to the State Administrative Tribunal (telephone 9219 3111 or 1300 306 017).
- II. The Application for 251 rooms exceeds the “*Transient Workforce Accommodation*” Policy provision of 200 rooms. However in this instance and because it specifically relates to the operation of Mesa A mine, Council has agreed to approve the development.
- III. The issuing of development approval for the development pursuant to Shire’s Planning Scheme does not constitute approval to use the Operation/Construction Facility unless all matters relating to Local Government (Miscellaneous Provisions) Act have been addressed.
- IV. Further Building and Health consent will be required for the use and development of the ‘permanent ‘and temporary ‘Accommodation Units.
- V. The Shire of Ashburton contains many places of Aboriginal Heritage significance. Proponents are advised to consider Aboriginal heritage issues and their obligations under the Aboriginal Heritage Act 1972 at an early stage of planning. Further information can be obtained from the Department of Indigenous Affairs on 9235 8000 or at the following web site <http://www.dia.wa.gov.au/Heritage/default.aspx>.
- VI. This Planning Approval issued by the Shire of Ashburton does not remove any responsibility the Applicant may have in obtaining a vegetation clearing permit from the Department of Environment in accordance with the Environment Protection Act 1986. Further information can be obtained from the Department of Environment or at the following website www.environment.wa.gov.au.
- VII. This Planning Approval issued by the Shire of Ashburton does not remove any responsibility the Applicant may have in notifying Environment Australia of the proposal for consideration of impacts in accordance with the Environmental Protection and Biodiversity Conservation Act 1999. Further information can be obtained from Environment Australia on (02) 6274 1111 or by visiting <http://www.deh.gov.au/epbc/assessmentsapprovals/index.html>.

**13.05.29 DEVELOPMENT APPLICATION – COASTAL WATER PROJECT
(VARIOUS CROWN LAND AND CROWN RESERVES) PANNAWONICA**

FILE REFERENCE: ST.YLEN

AUTHOR'S NAME AND POSITION: Rob Paull
Shire's Town Planning Consultant

**NAME OF APPLICANT/
RESPONDENT:** Robe River Mining Pty Ltd (RTIO) who is the Primary Leaseholder

DATE REPORT WRITTEN: 7 May 2011

DISCLOSURE OF FINANCIAL INTEREST: The author has no financial interest in this matter.

PREVIOUS MEETING REFERENCE: N/A

Summary

The Shire is in receipt of an Application for Planning Approval for water supply infrastructure located approximately 48 kilometres south-east of Pannawonica and extended 87 kilometres in a north easterly direction towards Millstream. The development referred to as the Coastal Water Project (CWP) will transfer water to existing Water Corporation infrastructure, approximately 6km south of the Water Corporation Summit Tanks at Millstream. The transfer pipeline route traverses northeast from the Bungaroo Valley, following the existing Millstream-Yarraloola Road, then Pannawonica-Millstream Road and then Dawson Creek Road.

It is recommended that Planning Approval issued for the infrastructure development.

Proposal

The Application before Council comprises the installation of a bore field at Bungaroo Creek located 48km south east of Pannawonica.

ATTACHMENT 13.05.29a

The bore field will supply 10GL/yr of potable water to a connection into the existing West Pilbara Water Supply Scheme at Millstream. The water will be delivered via an 87km pipeline and associated transfer pump station. The proposed bore field includes nine bores installed over a distance of 16km along the Bungaroo Valley floor. A buried collector pipeline will connect the bore field to a transfer pump station facility east of the bore field. The development area is located approximately 48 kilometres south-east of Pannawonica and extends 87 kilometres in a north easterly direction towards Millstream.

The 87km pipeline will transfer water to existing Water Corporation infrastructure, approximately 6km south of the Water Corporation Summit Tanks at Millstream. The transfer pipeline route traverses

AGENDA – ORDINARY MEETING OF COUNCIL 18 MAY 2011

northeast from the Bungaroo Valley, following the existing Millstream-Yarraloola Road, then Pannawonica-Millstream Road and then Dawson Creek Road.

The transfer pipeline crosses two major waterways within the Robe River Catchment; being the Robe River and Kumina Creek, as well as twenty-three smaller watercourses. The collector pipeline crosses Bungaroo Valley and Bungaroo Creek. The Applicant advises that the development is referred to as the Coastal Water Project (CWP) and has arisen in response to growing demand from regional development. The demand includes that generated by RTIO activities as well as forecasted growth in local communities requiring additional water supply.

Adjacent land uses include cattle grazing, mineral exploration, the Millstream Reserve and Unallocated Crown Land.

Comment

The land is zoned 'Rural' and also reserved Public Purposes - 'Water and Drainage' under the Shire of Ashburton Local Planning Scheme No. 7 ('Scheme').

ATTACHMENT 13.05.29b

The CWP can be described as 'Infrastructure' for the purposes of determining land use permissibility under the Scheme. Under the Rural zone 'infrastructure' is a 'Discretionary' use meaning that the land use is not permitted unless the Council has exercised its discretion by granting planning approval.

Clause 6.12.1 of the Scheme states in part:

“ In considering any proposed development within the Rural Zone, but in an area subject to strategic proposals for urban or industrial development, the Local Government shall only grant approval where that proposed development or use will not, in the opinion of Local Government, prejudice the future development of those proposals.”

It is considered that in relation to Clause 6.12.1, the Application is neither subject to any strategic proposals nor would prejudice the future development of the land or surrounding lands. In relation to the 'Public Purposes - Water and Drainage' reserve, the "erection or construction" of infrastructure requires the approval of Council under clause 3.2.3. Clause 3.2.7 of the Scheme requires:

“In the case of land reserved under the Scheme for the purpose of a public authority, the Local Government is to consult that authority before making its determination.”

In this regard, the 'authority' would be Hamersley Iron Infrastructure – the infrastructure arm of RTIO. In this regard, referral is not considered necessary.

The CWP was subject to Environmental Approval under Part IV of the *Environmental Protection Act* (1986) (EP Act). The Environment Protection Authority determined that the application did not require assessment under Part IV of the EP Act.

It would appear that the proposed CWP will have substantial benefit for the Pilbara region through the supply of reticulated water. It is noted that the proposed route of the pipeline will be within some road reserve areas. In this regard, reinstatement of any affected Shire roads along with traffic management

AGENDA – ORDINARY MEETING OF COUNCIL 18 MAY 2011

of construction operations will be required. In this regard, RTIO should be advised that consent from the Shire for access to the road reserves will be required.

The development is unlikely to negatively impact on the locality and accordingly it is recommended that Planning Approval issue.

Recommendation

That Council:

1. Approve the development application made by RTIO Pty Ltd for water supply infrastructure ('Coastal Water Project') sited on various Crown land and Crown reserves and located approximately 48 kilometres south-east of Pannawonica and extended 87 kilometres in a north easterly direction towards Millstream Pannawonica Shire of Ashburton in accordance with the endorsed plans, subject to the following condition:
 - a) This Planning Consent lapses if the development has not substantially commenced by 18 May 2013.
2. Advise the applicant as follows:
 - I. Council has determined this application. Rights of appeal are also available to you under the Planning and Development Act 1928 (as amended) against the decision of Council, including any conditions associated with this decision. Any such appeal must be lodged within 28 days of the date of this decision to the State Administrative Tribunal (telephone 9219 3111 or 1300 306 017).
 - II. It is noted that the proposed route of the pipeline will be within some road reserve areas. In this regard, reinstatement of any affected Shire roads along with traffic management of construction operations will be required. In this regard, RTIO should be advised that consent

AGENDA – ORDINARY MEETING OF COUNCIL 18 MAY 2011

from the Shire for access to the road reserves will be required. In this regard, please contact the Executive Manager, Engineering Services on 91884444 for further information.

- III. The issuing of development approval for the development pursuant to Shire’s Planning Scheme does not constitute approval to use the Operation/Construction Facility unless all matters relating to Local Government (Miscellaneous Provisions) Act have been addressed.
- IV. Further Building consent will be required for the construction of buildings.
- V. The Shire of Ashburton contains many places of Aboriginal Heritage significance. Proponents are advised to consider Aboriginal heritage issues and their obligations under the Aboriginal Heritage Act 1972 at an early stage of planning. Further information can be obtained from the Department of Indigenous Affairs on 9235 8000 or at the following web site <http://www.dia.wa.gov.au/Heritage/default.aspx>.
- VI. This Planning Approval issued by the Shire of Ashburton does not remove any responsibility the Applicant may have in obtaining a vegetation clearing permit from the Department of Environment in accordance with the Environment Protection Act 1986. 13.05.30 DEVELOPMENT APPLICATION – MARANDOO WATER PIPELINE & ASSOCIATED INFRASTRUCTURE (VARIOUS CROWN LAND AND CROWN RESERVES) HAMERSLEY PASTORAL STATION (PL 3114 1277), TOM PRICE

FILE REFERENCE: MI.MRDO

AUTHOR'S NAME AND POSITION: Rob Paull
Shire's Town Planning Consultant

NAME OF APPLICANT/RESPONDENT: Robe River Mining Pty Ltd (RTIO) who is the Primary Leaseholder

DATE REPORT WRITTEN: 7 May 2011

DISCLOSURE OF FINANCIAL INTEREST: The author has no financial interest in this matter.

PREVIOUS MEETING REFERENCE: N/A

Summary

The Shire is in receipt of an Application for Planning Approval for water supply infrastructure located approximately 20 km north east of the Tom Price townsite. The development referred to as the 'Marandoo Water Pipeline' project will transfer water from the existing Southern Fortescue Borefield to Tom Price.

It is recommended that Planning Approval issued for the infrastructure development.

Background

RTIO currently supplies potable water to Tom Price town from the existing Southern Fortescue Bore field. This existing pipeline is the primary water supply to Tom Price. RTIO advise that as part of the Marandoo Mine Phase 2 project RTIO proposes to expand the existing mining operations at Marandoo by mining below the watertable.

“A portion of the dewatering water will be transported from Marandoo mine to the South Fortescue Borefield and Tom Price Town. Reinjection into the existing Southern Fortescue Borefield aquifer has been selected as an important part of the Marandoo dewatering water management strategy. The main infrastructure is in place to achieve this, however, modifications and upgrade works are required to ensure the infrastructure is adequate.”

Proposal

The Application before Council is described as the 'Marandoo Water Pipeline' project ('project) and comprises the following:

AGENDA – ORDINARY MEETING OF COUNCIL 18 MAY 2011

- Existing water pipeline upgrade works. The majority of these works will be carried out from the intersection of Southern Fortescue Pipeline and Marandoo Railway toward the Southern Fortescue Borefield.
- Additional water pipeline sections will be constructed at the northern end of the Southern Fortescue Borefield.
- Upgrade of chlorination system for supply to Tom Price.
- Modifying ten existing dewatering bores and establishing new reinjection bore(s) at the Southern Fortescue Borefield to upgrade the infrastructure including:
 - supplying new submersible pumps, motors and associated cables into the existing bore casings including installation of concrete slabs;
 - reinstating several of the existing pumps into new bore arrangements;
 - installing pipeline and powerline extension to new bore(s) as required; and
 - installing new headworks inclusive of all valving and instrumentation, injection piping and new risers for existing and new bores.
- Installing a carbon steel pipe that bypasses the existing South Fortescue tank and pump station.
- Several temporary buildings (approximately two crib rooms/offices and one ablution facility) will be required for the contractors to be able to construct these proposed works (proposed at the Southern Fortescue tank and pump station).

ATTACHMENT 13.05.30

Comment

The project can be described as 'Infrastructure' for the purposes of determining land use permissibility under the Shire of Ashburton Local Planning Scheme No. 7 ('Scheme').

Under the Scheme, the land subject of new infrastructure is zoned 'Rural'. It is noted that a minor portion of the water pipeline encroaches the 'Conservation, Recreation and Nature Landscape' Scheme Reserve, however this is an existing portion of the water pipeline.

Under the Rural zone 'infrastructure' is a 'Discretionary' use meaning that the land use is not permitted unless the Council has exercised its discretion by granting planning approval.

Clause 6.12.1 of the Scheme states in part: "*In considering any proposed development within the Rural Zone, but in an area subject to strategic proposals for urban or industrial development, the Local Government shall only grant approval where that proposed development or use will not, in the opinion of Local Government, prejudice the future development of those proposals.*"

It is considered that in relation to Clause 6.12.1, the Application is neither subject to any strategic proposals nor would prejudice the future development of the land or surrounding lands.

The project was subject to Environmental Approval under Part IV of the *Environmental Protection Act* (1986) (EP Act). The Environment Protection Authority determined that the application did not require assessment under Part IV of the EP Act.

AGENDA – ORDINARY MEETING OF COUNCIL 18 MAY 2011

It would appear that the proposed 'Marandoo Water Pipeline' project will have substantial benefit for the Pilbara region through the supply of reticulated water. The development is unlikely to negatively impact on the locality and accordingly it is recommended that Planning Approval issue.

13.05.31 DRAFT LOCAL PLANNING SCHEME AMENDMENT NO. 14 AND DRAFT LOCAL PLANNING POLICY FOR ADVERTISING

FILE REFERENCE: PS.TP.7.14

AUTHOR'S NAME AND POSITION: Rob Paull
Shire's Town Planning Consultant

NAME OF APPLICANT/RESPONDENT: Shire of Ashburton

DATE REPORT WRITTEN: 8 May 2011

DISCLOSURE OF FINANCIAL INTEREST: The author has no financial interest in this matter.

PREVIOUS MEETING REFERENCE: Agenda Item 13.02.09 Ordinary Meeting of Council 16 February 2011
Agenda Item 13.10.58 Ordinary Meeting of Council 15 October 2010

Summary

Draft Amendment No. 14 to the Shire of Ashburton Local Planning Scheme ('Scheme') was initiated by Council at the 16 February 2011 meeting. Draft Amendment No. 14 seeks to address the prohibition of transient workforce accommodation in the Commercial and Civic zone for Onslow, Paraburdoo and Tom Price and allow Council to consider planning applications for transient workforce accommodation only where certain design standards and criteria are met.

As part of the initial Amendment process, it was referred to the Environmental Protection Authority (EPA) for environmental assessment and to the Department of State Development (DSD) and the Department of Planning (DoP) for advice. The EPA advised that the Amendment would not be assessed (i.e. no formal environmental assessment is required). No objection has been received from DoP whilst no response has been received from DSD.

In addition to the draft Clauses 6.10.4 and 6.10.5, the Scheme Table will need to be amended to permit transient workforce accommodation on the Commercial and Civic zone. It is considered that such uses should be permitted subject to advertising and subject to compliance with draft Clauses 6.10.4 and 6.10.5.

Accordingly, it is recommended that Council adopt a modified Amendment No. 14 and advertise the Amendment for 42 days in accordance with the in accordance with the *Town Planning Regulations 1967*.

Council also previously resolved that a Local Planning Policy accompany the Amendment to define design criteria and the like associated with development of the land. Draft "*Local Planning Policy - Assessment of Applications under Clause 6.10.4 and 6.10.5 of the Shire of Ashburton Local Planning Scheme No. 7*" has been prepared and it is recommended that it be adopted for advertising in association with Amendment No. 14.

Background

The Shire of Ashburton Local Planning Scheme No. 7 ('Scheme') was Gazetted on 24 December 2004 and has not been reviewed. Under the Scheme, transient workforce accommodation is a prohibited use in the Commercial and Civic zone. Transient workforce accommodation is defined as:

"... dwellings intended for the temporary accommodation of transient workers and may be designed to allow transition to another use or may be designed as a permanent facility for transient workers and includes a contractors camp and dongas..."

Commercial and Civic zones are found in Onslow, Paraburdoo and Tom Price. The zone has limited planning controls associated with development and use. The draft Onslow Townsite Strategy included the following statement:

"Development Principles

- It is appropriate that any such Transient Workforce Accommodation be of a very high quality for the benefit of occupiers, as well as the community.*
- Motel style development, with significant landscaping, quality design and materials, will be encouraged.*
- A limitation on the overall proportion (%) of Transient Workforce Accommodation within a development should also be a consideration of the Amendment.*

Desired Future Character

A modification to the Scheme to reflect this desired outcome of design and development is recommended. In addition, it is noted that the Commercial and Civic zone prohibits Transient Workforce Accommodation. In this regard, it is appropriate that the Shire consider amending the Scheme to allow Transient Workforce Accommodation in this zone on the basis referred to above."

This point of view was also adopted by Council in October 2010 when considering the 'Position Paper on Fly-In Fly-Out Workforce and Accommodation':

"ii) An amendment to the Shire of Ashburton Local Planning Scheme No. 7 that would allow transient workforce accommodation in the Commercial and Civic zone as an 'A' use and where such development reflects the following 'principles':

- any such transient workforce accommodation will be of a very high quality for the benefit of occupiers, as well as the community;*
- motel style development, with significant landscaping, quality design and materials, will be encouraged; and*
- a limitation on the overall proportion (%) of transient workforce accommodation within a development may be required by Council."*

In addition, Amendment No. 9 for the Scheme (that establishes the Ashburton North Strategic Industrial Area) includes the following Policy Statement:

AGENDA – ORDINARY MEETING OF COUNCIL 18 MAY 2011

“The intent of local government is for all transient workforce accommodation within the ANSIA to be for construction purposes associated with development of the ANSIA. Permanent or operational staff will be housed in Onslow.

In accordance with the adopted Onslow Townsite Strategy, such accommodation in Onslow is expected to be of a very high quality motel style development, with significant landscaping, quality design and materials for the benefit of occupiers, as well as the community.”

Draft Amendment No. 14 to the Shire of Ashburton Local Planning Scheme (‘Scheme’) was initiated by Council at the 16 February 2011 meeting. Draft Amendment No. 14 seeks to address the prohibition of transient workforce accommodation in the Commercial and Civic zone for Onslow, Paraburdoo and Tom Price and allow Council to consider planning applications for transient workforce accommodation only where certain design standards and criteria are met. The draft provision states as follows:

“6.10 Commercial zones

ADDING THE FOLLOWING:

6.10.4 Transient workforce accommodation may be considered by the Local Government only where the following requirements are met and where the Applicant can demonstrate all of the following:

- a) the proposed transient workforce accommodation development is of a very high quality for the benefit of occupiers, as well as the community;*
- b) the proposed development represents a motel or resort style development, with significant landscaping, recreation areas/facilities, quality design, quality infrastructure and materials;*
- c) a limitation on the overall proportion (%) of transient workforce accommodation within a development and where accommodation for tourists and the like is made available;*
- d) connection to reticulated sewer, water, and power is available; and*
- e) where the development is of a permanent nature and where dongers, or transportable buildings or structures of any description are not proposed.*

6.10.5 Where in the opinion of the Local Government any of the provisions of Clause 6.10.4 are not met, transient workforce accommodation is prohibited.”

The intent is to encourage a design and development that will be very high quality for the benefit of occupiers, as well as the community.

Comment

As part of the initial Amendment process, it was referred to the EPA for environmental assessment and to the Department of State Development (DSD) and the Department of Planning (DoP) for advice. The EPA advised that the Amendment would not be assessed (i.e. no formal environmental assessment is required). No objection has been received from DoP whilst no response has been received from DSD.

The provisions of the Amendment are intended that they be supported by Local Planning Policy. Draft Amendment No. 14 reflects the direction of Council as defined in considering the 'Position Paper' in October 2010, although proposed Clause 6.10.4 (b) has been adjusted to include reference to such development including "...recreation areas/facilities..." for workforce accommodation.

In addition to the draft Clauses 6.10.4 and 6.10.5 above, the Scheme Table will need to be amended to permit transient workforce accommodation on the Commercial and Civic zone. It is considered that such uses should be permitted subject to advertising and subject to compliance with draft Clauses 6.10.4 and 6.10.5.

It is recommended that Council adopt Amendment No. 14 as modified and advertise the Amendment for 42 days in accordance with the in accordance with the *Town Planning Regulations 1967*.

Council also previously resolved that a Local Planning Policy accompany the Amendment to define design criteria and the like associated with development of the land. Draft "*Local Planning Policy - Assessment of Applications under Clause 6.10.4 and 6.10.5 of the Shire of Ashburton Local Planning Scheme No. 7*" has been prepared.

ATTACHMENT 13.05.31

It is also recommended that the draft Local Planning Policy be adopted for advertising in association with Amendment No. 14.

Consultation

Chief Executive Officer

Statutory Environment

Planning and Development Act 2005

Planning Scheme amendments are processed in accordance with the Planning and Development Act (2005) and Town Planning Regulations. The decision on whether to adopt an amendment is solely that of Council. Upon adoption by Council the amendment is referred to the Environmental Protection Authority (EPA) after which public advertising of the proposal occurs (this is where this 'draft Amendment' currently sits in the process). After public advertising, Council will consider whether to adopt the amendment for final approval with or without modifications. The final decision on whether to grant final approval to an amendment rests with the Minister for Planning & Infrastructure, acting upon recommendation from the Western Australian Planning Commission.

Shire of Ashburton Town Planning Scheme No. 7

Environmental Protection Act 1986

State Planning Policy 3 - Urban Growth and Settlement (SPP 3) - includes the following objectives:

- To promote a sustainable and well planned pattern of settlement across the State, with sufficient and suitable land to provide for a wide variety of housing, employment, recreation facilities and open space.

AGENDA – ORDINARY MEETING OF COUNCIL 18 MAY 2011

- To build on existing communities with established local and regional economies, concentrate investment in the improvement of services and infrastructure and enhance the quality of life in those communities.
- To manage the growth and development of urban areas in response to the social and economic needs of the community and in recognition of relevant climatic, environmental, heritage and community values and constraints.
- To promote the development of a sustainable and liveable neighbourhood form which reduces energy, water and travel demand while ensuring safe and convenient access to employment and services by all modes, provides choice and affordability of housing and creates an identifiable sense of place for each community.
- To coordinate new development with the efficient, economic and timely provision of infrastructure and services.

The Shire is required to have due regard to State Planning Policies in the preparation of amendments to its Scheme. The amendment is consistent with the objectives of SPP 3.

Policy Implications

Draft “*Local Planning Policy - Assessment of Applications under Clause 6.10.4 of the Shire of Ashburton Local Planning Scheme No. 7*” has been prepared and it is recommended that it be adopted for advertising in association with Amendment No. 14.

Financial Implications

None anticipated

Strategic Implications

The modifications to the Scheme as sought will assist in achieving the focus as stated in the Shire’s Strategic Plan 2007-2011:

“Strengthen and diversify opportunities and experiences for people living, visiting, working and learning in the Shire”.

Voting Requirement

Simple Majority Required

Officers Recommendation

That Council:

1. In pursuance of Part V of the Planning and Development Act 2005 ("Act"), adopt for community consultation purposes draft Amendment No. 14 ("draft Amendment") to Shire of Ashburton Town Planning Scheme No. 7 ("Scheme") that proposes:
 1. Modifying Clause 6.10 of the Scheme by inserting the following clause:

“6.10.4 Transient workforce accommodation may be considered by the Local Government only where the following requirements are met and where the Applicant can demonstrate all of the following:

AGENDA – ORDINARY MEETING OF COUNCIL 18 MAY 2011

- a) *the proposed transient workforce accommodation development is of a very high quality for the benefit of occupiers, as well as the community;*
- b) *the proposed development represents a motel or resort style development, with significant landscaping, recreation areas/facilities, quality design, quality infrastructure and materials;*
- c) *a limitation on the overall proportion (%) of transient workforce accommodation within a development and where accommodation for tourists and the like is made available;*
- d) *connection to reticulated sewer, water, and power is available; and*
- e) *where the development is of a permanent nature and where dongers and transportable buildings or structures of any description are not proposed.*

6.10.5 Where in the opinion of the Local Government any of the provisions of Clause 6.10.4 are not met, transient workforce accommodation is prohibited.”

2. Amending the zoning table as follows:

- (a) Identifying ‘*Transient Workforce Accommodation*’ as an ‘A’ use class in the ‘Commercial and Civic’ zone.

- 2. That as the draft Amendment is in the opinion of the Council consistent with Part V of the Act and regulations made pursuant to the Act, that Amendment No. 14 be advertised for a period of 42 days, in accordance with the *Town Planning Regulations 1967*.
- 3. Council adopts draft *Local Planning Policy - Assessment of Applications under Clause 6.10.4 and 6.10.5 of the Shire of Ashburton Local Planning Scheme No. 7* as a draft Local Planning Policy under the provisions of clause. 2.3 of *Town Planning Scheme No. 7* and it be advertised in accordance with clause 2.31 of the Scheme concurrently with the advertising of draft Amendment No. 14.
- 4. That following advertising of the draft Amendment No. 14 and draft *Local Planning Policy - Assessment of Applications under Clause 6.10.4 and 6.10.5 of the Shire of Ashburton Local Planning Scheme No. 7*, the matters be referred back to Council for consideration.

13.05.32 PROPOSED HOLIDAY ACCOMMODATION (9 UNITS), VACANT LAND (LOT 308) CORNER OF FIRST AVENUE AND SIMPSON STREET, ONSLOW

FILE REFERENCE: ON.SE.308

AUTHOR'S NAME AND POSITION: Rob Paull
Shire's Town Planning Consultant

NAME OF APPLICANT/RESPONDENT: Bachkit Australia Pty Ltd

DATE REPORT WRITTEN: 9 May 2011

DISCLOSURE OF FINANCIAL INTEREST: The author has no financial interest in this matter.

PREVIOUS MEETING REFERENCE: Agenda Item 13.09.51 Ordinary Meeting of Council
15 September 2010

Summary

An application for Planning Approval has again been lodged for holiday accommodation comprising 9 single bed tourist units (5 two storey and 4 single storey) on Lot 308, the corner of First Avenue and Simpson Street, Onslow. Council approved a similar development on the land in September 2010. Subsequent to the approval, a site survey was undertaken by the developer where it was revealed that the area of land was some 70m² less than depicted on the original application. The revised plans correctly define the area of the land which essentially results in a modified setback to First Avenue.

Water Corporation has advised that it would not be able to provide a reticulated water service to more than one connection (ie. unit on the lot). It is open to Council to refuse the Application due to the limitations on the provision of reticulated water. The Applicant has, however, advised that it would accept a conditional approval that includes a provision where the commencement is conditional on a reticulated water service is available to the units.

This arrangement would appear to be acceptable to Water Corp. If this is acceptable to Council, then the normal period of time associated with development approvals (2 years) should be expanded to 5 years.

Background

The subject, 913m² site is zoned "Commercial and Civic" under the Shire of Ashburton Town Planning Scheme No. 7 ("Scheme") and is presently occupied by a duplex. The Shire (under delegation) has previously issued planning approval for the duplex. Council approved holiday accommodation comprising 9 single bed tourist units (5 two storey and 4 single storey) on the land in September 2010.

AGENDA – ORDINARY MEETING OF COUNCIL 18 MAY 2011

Subsequent to the approval, a site survey was undertaken by the developer where it was revealed that the area of land was some 70m² less than depicted on the original application. The differences in the current application compared to the approval in September 2010 are as follows:

Proposed Units 17 & 18

- previous set back off First Ave 7.8m - new setback to be 5.99m
- timber deck deleted on east elevation to allow carparking
- new deck on north elevation for entry to Unit 17
- previously 2.2m set back off northern boundary - new setback to be now 3.367m
- Disabled carpark changed to standard (2.5m wide)

General

- Dimensions of site adjusted as per survey (changes made to setback of Units 17&18)
- Pool deleted (marked as optional)
- Fence on corner of Simpson and First realigned to boundary (straight not curved) as per survey and lowered with visually permeable fencing
- Slimline tanks deleted
- Untrafficable decking deleted on First Floor
- Decking extended on Units 10, 12, 14, 16, 18 to allow on access to entry door

Proposal

The subject application is for “holiday accommodation” at Lot 308 on the corner of Second Avenue and Simpson Street, Onslow. Under the Shire’s Planning Scheme, “holiday accommodation” is defined as:

“any land and/or buildings used predominantly by travellers and holiday-makers and designed to take advantage of a tourist attraction or other locational consideration for tourism reasons including camping areas, areas for two or more movable dwellings, chalet parks and serviced apartments or any combination thereof but excluding Bed/Breakfast facilities (which are within the definition of home business), hotel and motel.”

The Applicant has approval for a similar development at Lot 309, corner of Second Avenue and Simpson Street which includes manager’s accommodation. The applicant proposes that the manager at Lot 309 also manage Lot 308. This may be acceptable provide Lot 309 is developed first and where there is an agreement (in perpetuity) over both lots for the management arrangement.

The proposal currently before Council comprises 9 single bed tourist units (5 two storey and 4 single storey) as follows:

Details:

- i) Zoning of site: Commercial and Civic
- ii) Site Area: 913m²
- iii) Setbacks: First Avenue – 5.99m
Simpson Street – 4.0m. Rear Lane - 1.0m
Side boundary – 2m

AGENDA – ORDINARY MEETING OF COUNCIL 18 MAY 2011

- iv) Gross floor area: 435m²
- v) Plot Ratio: 0.47:1
- vi) Elevations: Two storey buildings to be constructed externally of corrugated colourbond steel. The wall sheeting will be laid horizontally with the roof having an 180⁰ pitch. Sufficient openings of various sizes would appear to preclude any blandness.
- vii) Design: The buildings essentially comprise five “two storey pods” with a optional swimming pool/pergola/bbq area located towards the First Avenue/Simpson Street frontage. A 1.8m high masonry wall will encompass this area. A “common area” is to be located mid-site between three unit buildings.
- ix) Car Parking: Spaces required:

One per accommodation unit, plus one per every three units for visitors	12
Spaces provided	11

- x) Building Ground: All built upon areas will have a minimum ground level of 5AHD. The Scheme requires a minimum of 5AHD.
- xi) Landscaping: Indicative only.

Copies of plans and elevations of the proposed development are attached.

ATTACHMENT 13.05.32

Comment

Zoning of Site:

The subject land is rectangular in shape and zoned *Commercial and Civic* under the Shire of Ashburton Planning Scheme No. 7 (“Scheme”). It is also included in the “*Onslow Coastal Hazard Areas Special Control Area*” and in this regard, the minimum floor height in the “*Onslow Coastal Hazard Areas Special Control Area*” is required to be 5AHD. This has been depicted on the submitted plans. With Council approval “holiday accommodation” is a permissible use in the current zoning of the site.

Site Area:

There is no minimum site area requirement for a holiday accommodation under the Scheme.

Setbacks:

Considering the proposal is for a commercial development in a commercial zone predominantly containing residential development, the setbacks appear reasonable and satisfy Building Codes of Australia (BCA) requirements in relation to heights of buildings.

The setback to Second Avenue will ensure adequate sight distance is maintained across the intersection. However, although the Residential Planning Codes do not apply to “holiday accommodation”, it is reasonable that the setbacks for the development to the adjoining property (used for residential purposes) reflect the setback requirements from the Codes, as it ensures adequate

residential amenity for the adjoining land. In this regard, the plans have been assessed under the codes and found to reflect the necessary setbacks.

Gross Floor Area/Plot Ratio/Site Coverage:

The Scheme does not contain maximum limitations in these areas. Clause 6.10 of the Scheme indicates that development in the subject zone should be in keeping with a specific strategic or policy statement, however, in the absence of such documents Council shall take into account matters it considers relevant to the proposal including floor space limitations, setbacks from boundaries and height of structures. It is considered that a plot ratio of less than 0.6:1 within a commercial zone does not constitute an overdevelopment of the site.

Elevations:

The elevations appear reasonable. The corrugated colourbond sheeting to be used is becoming increasingly popular for use in developments throughout the Pilbara and with the complementary use of colours satisfactory results can be achieved.

Density:

As related to the plot ratio and site coverage, the density of the development is acceptable for the commercial zoning of the site.

Car Parking:

Twelve (12) parking spaces need to be provided in order to satisfy the provisions of the Scheme. Eleven (11) parking spaces are shown on the submitted plans. The twelfth space can be provided abutting the two spaces on First Avenue however, the overall development of Lots 308 and 309 result in 23 spaces being required. It is appropriate that should Lot 308 be developed in isolation to Lot 309, the 12 spaces be provided. The advice from the applicant is that both lots will be developed simultaneously.

All parking is designed on the basis of reversing from the site. Access is sought from the ROW which would need to be sealed (at the Applicant's expense) for the length of the property frontage to the ROW.

Building Ground Levels:

The site is located in the frontal dune system of the *Onslow Coastal Hazard Area* as identified in the Shire Planning Scheme. This requires floor levels of the buildings to be built to a level of 5m AHD in accordance with clause 7.3 of the Scheme. The proposed development provides for all structures to be built at this level. The front retaining wall adjacent to the car park will be approximately a metre high tapering to about 150mm at the rear. The car parking will be provided at the existing ground level. This is permitted under clause 7.3.8 of the Scheme, as these areas will be non-habitable. The Scheme requires any building development or building alteration approval in the hazard area be endorsed with the following:

“The developer undertakes to absolve the State and the Local Government Authority from liability and hence financial relief in the event of damage caused by natural events.”

AGENDA – ORDINARY MEETING OF COUNCIL 18 MAY 2011

Landscaping:

Should Council issue Planning Approval, it is appropriate that landscaping be a condition of any Approval. It is clear that there would be opportunities within the parking areas and adjacent to the units. Also it will be recommended that the parking areas be suitably brick paved.

Overall:

With the present commercial boom being experienced by Onslow any planned addition to the accommodate stock should be encouraged. Importantly, there are no significant areas of non-compliance with the Scheme or policy.

However, the significant issue for the application is the provision of reticulated water. As noted, it is suggested that the Applicant be provided with the opportunity to address the water supply issue with Water Corporation before such a determination. The applicant has acknowledged the inability for Water Corporation to supply sufficient water to the development. As noted, Council essentially has two choices in relation to determining the Application in light of the inability of Water Corp to provide a reticulated water service to the site – either:

1. Refuse the Application and allow the Applicant to seek redress at the State Administrative Tribunal;
or
2. Approve the Application with a condition that the development shall not commence until a water supply to the requirements of the Corporation is available.

The Shire has discussed the matter of dealing with applications in Onslow with the Shire's solicitor. The advice provided is that Council would be well within its rights to refuse any development Application because an important element of infrastructure (i.e. reticulated water) is not available. However, it is acknowledged that the Water Corporation has indicated that the time frame to upgrade the system is 2015. It is questioned as to whether the Applicant should be penalised for the limitations of the water system that is not within their control. In this regard, it is suggested that if Council seeks to approve the Application, a condition be included that links the issue of the Building Licence with an agreement with the developer and Water Corporation with the provision of water.

Any time limit for an approval should be extended from the normal 2 year period to 5 years - to account for the Water Corporation's upgrade of the system. Should the upgrade not be available after the 2015 approval time limit, the Applicant could seek an extension of time or the approval would lapse.

Consultation

Chief Executive Officer
Executive Manager, Western Operations
Manager Building Services

Under the Scheme, holiday accommodation is a 'D' use. This use does not require advertising pursuant to the Scheme. Accordingly, the Application has not been advertised although it is open for Council to advertise any application it sees fit. Given that the proposal reflects the purpose of the zone and has been designed to reflect the set back provisions of the RCodes, advertising is not considered necessary.

Statutory Environment

Shire of Ashburton Town Planning Scheme No. 7 ('Scheme')

Statement of Planning Policy No. 2.6 - State Coastal Planning Policy - the Scheme was Gazetted after the introduction of the Policy and addressed in the 'Onslow Coastal Hazard Areas Special Control Area' where the minimum floor height is 5AHD. A condition reflecting the Scheme provision associated with 'Onslow Coastal Hazard Areas Special Control Area' is recommended (draft condition aa).

However, it is possible that a change of the minimum floor height may result from a review being undertaken by the Department of Planning. While no new figures can be provided at the time of this Planning Application, it is appropriate that prior to building licence, the Applicant has satisfied itself that the minimum floor is based on the best information available at the time of construction. The State and the Local Government Authority are not liable in the event of any damage caused by natural events.

Policy Implications

"Local Planning Policy – Parking and Setbacks - First Avenue, Onslow" applies to the land as follows:

"4.1.1 Where development of Lots 305–308, 333–336, 501, 502, 339 and 968 is sought, Council is prepared to support car parking to have direct access to First Avenue. Council will require parking bays to comply with the provisions of the Shire of Ashburton Town Planning Scheme No. 7.

4.1.2 Building Setbacks to First Avenue will be a minimum of 4 metres. Access to the rear ROW is supported. Any Planning Approval will include a ROW upgrading contribution."

In this regard, the setback to First Avenue is .78m and access to the ROW is sought. Importantly, no portion of the road pavement of First Avenue is located on Lot 308. The application is considered to comply with the Policy.

Financial Implications

There are no financial implications that relate to this matter.

Strategic Implications

There are no strategic implications that relate to this matter.

Voting Requirement

Simple Majority Required

Officers Recommendation

That Council:

1. Approve the development application made by Bachkit Australia Pty Ltd for land at Lot 308 Corner of Second Avenue and Simpson Street Onslow to construct and use for the purposes of a 'holiday accommodation' generally in accordance with the submitted plans, subject to the following conditions and foot notes:

AGENDA – ORDINARY MEETING OF COUNCIL 18 MAY 2011

- a) The use shall not commence until the developer has entered into an agreement with the Water Corporation for the supply of sufficient reticulated water to the land in order to serve the holiday accommodation, to the requirements of the Water Corporation and to the satisfaction of the Shire of Ashburton. A building licence shall not issue until written confirmation from Water Corporation is provided to the Shire that a full reticulated water service to the site is available.
- b) A building licence for the development should be obtained prior to 15 May 2016 . This Planning Approval lapses if a building licence for the development has not been obtained by 15 May 2016. Further to this, if the development is not substantially commenced in accordance with the building licence by 15 May 2016 and a reticulated water supply is not available to service the development by this date, then this Planning Approval lapses at that date.
- c) With the permission of the Shire of Ashburton, this Planning Approval may be extended.
- d) Unless with the written consent of the Council, the car parking and landscaping shall be completed to the satisfaction of the Shire prior to the occupation of the 'holiday accommodation'.
- e) Prior to the issue of a building licence, plans shall be submitted showing:
 - i) twelve onsite car parking spaces to the requirements of the Shire of Ashburton (see note (ii));
 - ii) manager's unit for a ground floor unit unless an agreement subject to Condition f is undertaken with the Shire of Ashburton.
- f) Prior to the issue of a building licence, the Applicant shall enter into a written agreement with the Shire of Ashburton for:
 - i) sealing the length of the ROW from the nearest adjoining road to the crossover at the rear of Lot 308; and
 - ii) management arrangement with the owner of Lot 309 for the management operation for both Lot 308 and 309 that will be in perpetuity over both lots.

All costs associated with the sealing of the ROW along with Shire legal costs for the agreement shall be at the expense of the Applicant.
- g) Plans submitted with the building licence are to be generally in accordance with plans submitted show finished ground levels and finished floor levels to the satisfaction of the Shire of Ashburton.
- h) The development being designed and constructed to allow easy access for people with disabilities to the satisfaction of the Shire of Ashburton. Details to be submitted with the building licence application.

AGENDA – ORDINARY MEETING OF COUNCIL 18 MAY 2011

- i) The use of transportable buildings in the development in any form is not permitted.
- j) The design, materials and colours of all fencing are to be to the satisfaction of the Shire of Ashburton. Fencing to adjoining land shall consist of appropriate acoustic materials, a minimum 1.8 metres in height (above 5AHD) and be designed to protect the amenity of adjoining dwellings. Details to be submitted prior to or with the building licence application.
- k) The external wall colours and materials for the development shall be to the satisfaction of the Shire of Ashburton with no zincalume or similar finish on any external wall. Details to be submitted with the building licence application.
- l) The uses when established shall at all times comply with the definition of 'holiday accommodation' as contained within the Scheme as follows:
“any land and/or buildings used predominantly by travellers and holiday-makers and designed to take advantage of a tourist attraction or other locational consideration for tourism reasons including camping areas, areas for two or more movable dwellings, chalet parks and serviced apartments or any combination thereof but excluding Bed/Breakfast facilities (which are within the definition of home business), hotel and motel”.
- m) A geotechnical report covering the development area being prepared by the Applicant at the Applicant's cost and to the satisfaction of the Shire of Ashburton. The report to be lodged with the building licence application, together with certification from a structural engineer that the design is suitable for the site conditions as outlined in the geotechnical report.
- n) Compaction and stabilisation must be carried out to the specifications and satisfaction of the Shire of Ashburton. Details to be submitted with the building licence application.
- o) The meeting room shall only be used by occupiers of the facility and their guests. Should the use of the meeting room generate off site impacts due to parking concerns, Council reserves the right to direct that the meeting room only be used by occupiers of the facility.
- p) All loading/unloading of vehicles is to be conducted within the site at all times.
- q) No outside storage of goods.
- r) The finished lower floor levels of the proposed buildings must be a minimum of 5.0 metres above AHD. Evidence to this requirement from a practising registered surveyor must be submitted with the building application.
- s) Prior to the occupation of the use, the provision on-site of not less than the required parking bays as defined under the Scheme shall be undertaken by the Applicant. The parking area(s), driveway(s) and point(s) of ingress and egress [including crossover(s)] to be designed, constructed, sealed, drained, marked and thereafter maintained to the specifications and satisfaction of the Shire of Ashburton. Details to be submitted with the building licence application.

AGENDA – ORDINARY MEETING OF COUNCIL 18 MAY 2011

- t) Plans submitted with the building licence application are to show details of stormwater and roof run-off disposal to the satisfaction of the Shire of Ashburton.
- u) Prior to the issue of a building licence, the Applicant shall submit a landscape plan and a landscape assessment to the satisfaction of the Shire of Ashburton. The Plan should indicate the location and:
 - species of all trees to be removed and / or retained;
 - type of fencing to be installed;
 - of reticulation to be installed; and
 - type of paving to be installed.

The Plan should also include a plant schedule nominating each species, the spacings of each species, the numbers of plants required; and the size of each plant to be used at the time of planting, together with the anticipated height of each plant at maturity. The Plan should identify and include any adjoining road verges. The Plan must be submitted and approved prior to the issue of a building licence.

- v) Landscaping and reticulation to be established in accordance with the approved plan(s) prior to occupation of the use and thereafter maintained to the satisfaction of the Shire of Ashburton.
- w) The provision of a suitably screened bulk bin area/s for refuse to the specifications and satisfaction of the Shire of Ashburton prior to occupation of the development. Details to be submitted with the building licence application.
- x) The development being connected to a reticulated water supply or other alternative to the satisfaction of the Shire of Ashburton and the Water Corporation prior to occupation of the development.
- y) The development being connected to a reticulated deep sewer to the satisfaction of the Shire of Ashburton and the Water Corporation prior to occupation of the development. Full plumbing details must be submitted with the building licence application.
- z) No room (other than manager's room) is to be occupied by any person for more than 3 months within any 12 month period. In that regard, the manager / operator are to maintain a register of guests which is to be made available for perusal by Shire of Ashburton officers on demand.
- aa) The developer undertakes to absolve the State and the Local Government Authority from liability and hence financial relief in the event of damage caused by natural events.

Advise the Applicant as follows:

- i) This Planning Approval is issued with the knowledge that a reticulated water supply for the use is currently not available. It is issued with the Applicant's full awareness that such a supply may not be available for many years. The Applicant has advised the Shire that it will not seek a building licence until confirmation from Water Corporation that a full reticulated water service to the site will be available.

AGENDA – ORDINARY MEETING OF COUNCIL 18 MAY 2011

- ii) With respect to the requirement for 12 car parking spaces, the Council will accept the construction of 11 spaces for the development of Lot 308, provided a building licence is sought concurrently with the development of Lot 309 Second Avenue.
- iii) A condition reflecting the Scheme provision associated with '*Onslow Coastal Hazard Areas Special Control Area*' has been included (condition aa). However, it is possible that a change of the minimum floor height may result from a review being undertaken by the Department of Planning. While no new figures can be provided at the time of this Planning Approval, it is appropriate that prior to building licence, the Applicant has satisfied itself that the minimum floor is based on the best information available at the time of construction. The State and the Local Government Authority are not liable in the event of any damage caused by natural events.
- iv) The Applicant is advised that the Planning Approval is for the purposes of 'holiday accommodation'. Transient workforce accommodation cannot be given consent by Council on the land as it is prohibited under the Planning Scheme. Transient workforce accommodation is defined as: "*dwelling intended for the temporary accommodation of transient workers and may be designed to allow transition to another use or may be designed as a permanent facility for transient workers and includes a contractors camp and dongas*".
- v) Further to this approval, the Applicant is required to submit working drawings and specifications to comply with the requirements of Part 4 of the Building Regulations, 1989 (as amended) that are to be approved by the Shire's Principal Building Surveyor prior to the issue of the Building licence.
- vi) The drawings submitted for a building licence are to be properly drawn and certified by a practising structural engineer to confirm that they comply with the requirements of the Building Code of Australia.
- vii) The Water Corporation recommends that with respect to the provision of any landscaping in Onslow, the following should be undertaken to ensure the most efficient use of water. The Shire anticipates that this advice will be provided on any approved landscaping plan:
 - 1. Appropriate soil amendment / conditioning for the region, which forms the best basis for plants to survive and thrive (depth of 300mm for garden beds)
http://www.watercorporation.com.au/W/waterwise_karratha.cfm)
 - 2. Waterwise irrigation with improvements in irrigation scheduling and application and use of rain sensors
http://www.watercorporation.com.au/files/waterwise/Waterwise_Display_Village_Criteria_2010.pdf
 - 3. Adequate mulching to retain moisture (5 to 7.5cm thickness recommended).

AGENDA – ORDINARY MEETING OF COUNCIL 18 MAY 2011

- viii) A separate application being made for all advertising signs in accordance with the Shire's Local Law relating to Signs and Other Advertising Devices.
- ix) Council has determined this application. Rights of appeal are also available to you under the Planning and Development Act 1928 (as amended) against the decision of Council, including any conditions associated with this decision. Any such appeal must be lodged within 28 days of the date of this decision to the State Administrative Tribunal (telephone 9219 3111 or 1300 306 017).

2	03/11	14.03.05	Inclusion of the “Jims Gym” Building and Land into the Onslow Sport Club Lease	That Council endorse the inclusion of the “Jims Gym” land and building into the Onslow Sports Club Lease and accept the resulting legal and survey fees to facilitate this.	5/5/2011 To be initiated
3	02/11	14.02.01	Pannawonica Community Investment	Council resolves to accept the Wandoo offer of reimbursement for monies previously expended \$23,777.00 and redirect the \$50,000.00 towards age appropriate play equipment as required.	8/5/2011 This has been delayed – waiting on further information from RIO
4	05/10	16.05.06	Draft Ashburton North Community Investment Strategy	That Council support in principle the draft Ashburton North Community Infrastructure Strategy.	8/5/2011 – Agenda Item to be prepared.
5	04/10	14.04.06	Lot 944 First Street, Onslow Reserve 42626	That Council: (a) call for expressions of interest from the Onslow community to establish an arts and culturally based use for the property 944 First Street, and (b) that Council list the appropriate budget funding for the upkeep and progressive restoration of the property 944 First Street.	08/05/2011 To be priority in the third quarter of 2011
6	11/08	14.11.18	Pannawonica Community Plan	That Council advise the Minister for State Development and Robe River Mining Company Pty Ltd, that: (a) The Shire views with concern the company’s public release of the Pannawonica Community Plan prior to the Council having an opportunity to formally consider the Shire initiated plan (b) It does not support the Pannawonica Community plans prepared by the company for the following reasons: a. The community infrastructure and services components of the plan lack definition, are limited in scope and are largely uncosted b. The community plan largely consists of elements which are not community infrastructure or services c. The community plan is based on a workforce which appears to have a greater emphasis on Fly In – Fly Out operators based in Pannawonica than when the Mesa A project was submitted to the Minister for State Development for approval pursuant to the State Agreement.	08/05/2011 To be included in renewed relationship with Rio Tinto
CORPORATE

				Council agrees to the allocation of \$100,000 towards the Onslow aerodrome upgrade and associated planning and consultant services.	design by May 2011.
4	12/08	13.12.408	Proposed Transfer of Emergency Services Building	<p>That :-</p> <ol style="list-style-type: none"> 1. Council agree to transfer the tenure of the Onslow Emergency Service Building to FESA subject to:- <ol style="list-style-type: none"> i) FESA to become responsible for the outstanding loan on the facility and any financial outlay required for the transfer thereof; and ii) A condition being placed on the Management Order over the premises that they are to be used only to house the local Volunteer Emergency Services including the Marine Rescue Service. 2. The necessary procedures required to affect the transfer be implemented. 3. The present designation of Lot 971 in the Shire's Town Planning Scheme No.7 be amended to reflect the existing land use during the Planning Scheme review for Onslow. 4. The future need of the Onslow Emergency Services Building Management Committee and Instrument of Delegation DA503 be noted and in due course be discontinued. 	<p>Ongoing</p> <p>This item to be a priority in the third quarter of 2011</p>

Officers Recommendation

That Council note the contents of the Western Operations Decision Status Report.

15.05.0 NEW BUSINESS OF AN URGENT NATURE INTRODUCED BY DECISION OF MEETING

16.05.0 CONFIDENTIAL REPORTS

Under the Local Government Act 1995, Part 5, and Section 5.23, states in part:

(2) If a meeting is being held by a Council or by a committee referred to in subsection (1)(b), the Council or committee may close to members of the public the meeting, or part of the meeting, if the meeting or the part of the meeting deals with any of the following:

(a) a matter affecting an employee or employees;

(b) the personal affairs of any person;

(c) a contract entered into, or which may be entered into, by the local government and which relates to a matter to be discussed at the meeting;

(d) legal advice obtained, or which may be obtained, by the local government and which relates to a matter to be discussed at the meeting;

(e) a matter that if disclosed, would reveal:

(I) a trade secret;

(II) information that has a commercial value to a person; or

(III) information about the business, professional, commercial or financial affairs of a person,

Where the trade secret or information is held by, or is about, a person other than the local government.

(f) a matter that if disclosed, could be reasonably expected to:

(I) Impair the effectiveness of any lawful method or procedure for preventing, detecting, investigating or dealing with any contravention or possible contravention of the law;

(II) Endanger the security of the local government's property; or

(III) Prejudice the maintenance or enforcement of any lawful measure for protecting public safety;

(g) information which is the subject of a direction given under section 23(1a) of the Parliamentary Commissioner Act 1981; and

(h) such other matters as may be prescribed.
