6.1 DUE CONSIDERATION BY COUNCILLORS TO THE AGENDA

All Councillors are requested to give due consideration to all matters contained in the Agenda presently before the meeting.

6.2 DECLARATIONS OF INTEREST

Councillors to Note

A member who has an Impartiality, Proximity or Financial Interest in any matter to be discussed at a Council or Committee Meeting, that will be attended by the member, must disclose the nature of the interest:

- (a) In a written notice given to the Acting Chief Executive Officer before the Meeting or;
- (b) At the Meeting, immediately before the matter is discussed.

A member, who makes a disclosure in respect to an interest, must not:

- (a) Preside at the part of the Meeting, relating to the matter or;
- (b) Participate in, or be present during any discussion or decision-making procedure relative to the matter, unless to the extent that the disclosing member is allowed to do so under Section 5.68 or Section 5.69 of the *Local Government Act 1995*.

NOTES ON DECLARING INTERESTS (FOR YOUR GUIDANCE)

The following notes are a basic guide for Councillors when they are considering whether they have an interest in a matter.

These notes are included in each agenda for the time being so that Councillors may refresh their memory.

1. A Financial Interest requiring disclosure occurs when a Council decision might advantageously or detrimentally affect the Councillor or a person closely associated with the Councillor and is capable of being measured in money terms. There are exceptions in the *Local Government Act 1995* but they should not be relied on without advice, unless the situation is very clear.
2. If a Councillor is a member of an Association (which is a Body Corporate) with not less than 10 members i.e. sporting, social, religious etc), and the Councillor is not a holder of office of profit or a guarantor, and has not leased land to or from the club, i.e., if the Councillor is an ordinary member of the

**PUBLIC AGENDA - ORDINARY MEETING OF COUNCIL
17 DECEMBER 2019**

Association, the Councillor has a common and not a financial interest in any matter to that Association.

3. If an interest is shared in common with a significant number of electors or ratepayers, then the obligation to disclose that interest does not arise. Each case needs to be considered.
4. If in doubt declare.
5. As stated in (b) above, if written notice disclosing the interest has not been given to the Chief Executive Officer before the meeting, then it **MUST** be given when the matter arises in the Agenda, and immediately before the matter is discussed.
6. Ordinarily the disclosing Councillor must leave the meeting room before discussion commences. The **only** exceptions are:
 - 6.1 Where the Councillor discloses the **extent** of the interest, and Council carries a motion under s.5.68(1)(b)(ii) or the *Local Government Act*; or
 - 6.2 Where the Minister allows the Councillor to participate under s.5.69 (3) of the *Local Government Act*, with or without conditions.

Summary

The purpose of this agenda item is to report back to Council on the progress of the implementation of Council decisions.

Background

The best practice in governance supports the regular review of Council decisions to ensure that they are actioned and implemented in a timely manner.

Comment

Wherever possible, Council decisions are implemented as soon as practicable after a Council meeting. However, there are projects or circumstances that mean some decisions take longer to action than others.

This report presents a summary of the "Decision Status Reports" for Office of the CEO, Corporate Services, Infrastructure Services, Community Services and Property and Development Services.

Section 2.7 of the Local Government Act 1995 states:

"Role of council

**PUBLIC AGENDA - ORDINARY MEETING OF COUNCIL
17 DECEMBER 2019**

- (1) *The council —*
 (a) *governs the local government's affairs; and*
 (b) *is responsible for the performance of the local government's functions.*
- (2) *Without limiting subsection (1), the council is to —*
 (a) *oversee the allocation of the local government's finances and resources; and*
 (b) *determine the local government's policies."*

The above section of the Act notwithstanding, there is no specific legal requirement to present such a report to Council or for Council to receive or consider such a report. Given it is always 'received', it could simply be provided to elected members via weekly or monthly updates, such as in the weekly Information Bulletin.

The decision to retain the report in the Council's monthly agenda is entirely Council's prerogative. Staff acknowledge the critical and ongoing nature of the document, in that Council 'speaks by resolution'.

DISCLOSURE OF FINANCIAL INTEREST:	The author and authorising officer have no financial, proximity or impartiality interests in the proposal.
PREVIOUS MEETING REFERENCE:	Agenda Item 11.4 (Minute No. 695/2019) Ordinary Meeting of Council 19 November 2019

Summary

Section 2.7(2) (b) of the Local Government Act 1995 states that the making of policy is a role of the Council. A review of all due policies has been conducted to ensure accuracy and currency which reflect the Council's commitment to ensuring best practice principles and good Governance.

The policies attached have been reviewed by the Chief Executive Officer, all Directors and relevant stakeholders. The review included the need to define policy level; currency of the policy content; relevant statutory environments; review timeframes; and to align with identified legislative changes.

Background

The role of Council in setting policy is most effective when it is linked with a professional organisation that implements these policies through the development of appropriate management practices and work processes. Council policy should set the standards for the administration to achieve and make strategic policy decisions that guide officers in their decision making processes.

The Policy review process is now in its fifth year and highlights Council's focus on strategic governance as it provides clarity, ownership, and accountability to the Ashburton community and for the staff of the Shire.

Comment

Council policies which have undergone changes during their review are attached to this Agenda in final draft for consideration. It is to be noted that the Department of Local Government, Sports and Cultural Industries is currently conducting a consultation process for a mandatory Code of Conduct for Council Members, Committee Members and Candidates including guidelines.

Whilst it is still in its draft form (**ATTACHMENT 11.3A**) once finalised, will be implemented into our existing ELM04 Code of Conduct Policy, and a subsequent new Code of Conduct for Staff,

**PUBLIC AGENDA - ORDINARY MEETING OF COUNCIL
17 DECEMBER 2019**

Volunteers and Contractors will be created with both policies being presented to council for review and adoption.

Whilst it is difficult to advise a final time frame, WALGA is monitoring and anticipate a final mandate late 2019, or early 2020. The Acting Chief Executive Officer will ensure Council are kept up to date as to its progress. All policy amendment details are kept in an internal Policy Register. All current policies are included in our 'Policy Manual' and uploaded onto the Shire's website.

The annual review by the Manager Governance and Executive Management Team including relevant stake holders is now complete and recommendations to the policies are as summarised below:

Background

Pursuant to section 5.53 of the *Local Government Act 1995 (the Act)*, a local government is required to prepare an Annual Report for each financial year. The report is to contain:

- A report from the Shire President and the Chief Executive Officer;
- An overview of the Plan for the Future, including any major initiatives that are proposed to commence or continue in the next financial year;
- The 2018/19 Financial Report;
- The 2018/19 Auditor Report;
- Prescribed information in relation to payments made to employees; and
- Any other prescribed information.

Comment

The draft Annual Report for 2018/19 is in the process of being finalised and will be available under separate cover at the Meeting. Council is also requested to give consideration to recommending the date, time and location of the Annual General Meeting (AGM). The AGM must be held within 56 days from the date Council accepts the Annual Report and Financial Statements.

Should Council accept the Annual Report at this meeting, the latest possible date for the AGM is Tuesday 11 February 2020.

Summary

In accordance with *Regulation 34 of the Local Government (Financial Management) Regulations*, the Shire is to prepare a monthly Statement of Financial Activity for consideration by Council.

The Financial Reports for November 2019 are presented with comments on variances for Actuals to 2019/20 Budget amounts.

Background

Regulation 34 of the Local Government (Financial Management) Regulations requires the Shire to prepare a monthly statement of Financial Activity for Consideration by Council as well as Budget Amendment Register and Schedule of Accounts and Credit Card payments. .

Please note the financial reports as presented provide an estimate of the November position, pending finalisation of the audit of the 2018/19 accounts. This will mainly impact balance sheet and opening and closing balance items (including the brought-forward Net Current Assets). However, depreciation is not able to be charged in 2019-20 until after year-end is completed. It is estimated that depreciation charges would increase YTD spend by about \$4M. Depreciation is a non-cash expense and would not impact closing balances.

A 2019/20 Capex Tracker is also available as part of the Monthly Reports.

**PUBLIC AGENDA - ORDINARY MEETING OF COUNCIL
17 DECEMBER 2019**

GL/Job No.	General Ledger Description	Current Budget	Variation Amount	Revised Budget	Reason
New	Tom Price and Paraburdoo Drainage Renewals 2019/20	0	220,000	220,000	Urgent works required to fix damaged sections of the urban stormwater network.
AB2011	Tom Price Community Hall – Renewal of Air Conditioners	35,000	(5,000)	30,000	Less than forecast cost associated with this project.
AB2008	Paraburdoo Ashburton Hall – Install New Air Conditioner	100,000	5,000	105,000	Greater than forecast cost associated with this project.

Projects to be identified (Pannawonica)

The 2019/20 Original Budget includes a \$25,000 capital expenditure provision for Pannawonica to purchase community garden furniture and equipment. During the preparation of the 2019/20 budget process, the 2018/19 funding level of \$55,275 for Projects to be identified was drawn down to assist the overall balancing of the capital expenditure budget, as well as a result of re-allocating capital expenditure amounts to the operating budget (i.e. \$20,000 for a community events trailer and \$25,000 for caravan park works).

This report proposes Council re-instate to Projects to be identified the 2018/19 funding provision of \$55,275 with recommended budget variations from Ocean View Caravan Park works and Corporate Services consultancy costs.

Summary

The purpose of this agenda item is to report to Council on Acting Chief Executive Officer (Acting CEO) leave applications, use of the corporate credit card and the reimbursement of Acting CEO expense applications.

Background

Due to the position held by the Acting CEO, there is no other individual person authorised under the *Local Government Act 1995* (the Act) to approve or authorise the Acting CEO's leave applications, use of the corporate credit card and the reimbursement of Acting CEO expense applications. These functions can only be approved by resolution of the Council.

Comment

Given the findings of the WA Crime and Corruption Commission in several local governments, it is necessary for an Acting CEO to report to Council:

- proposed leave;
- detail of any leave taken (with or without pay);
- claims for additional work over and above of the reasonable additional hours under the Acting CEO employment contract;
- details of all corporate credit card purchases issued to the Acting CEO; and
- any reimbursements claimed.

Acting CEO's Timesheet

The Acting CEO's timesheets are provided for the period between 13 November 2019 and 8 December 2019.

PREVIOUS MEETING REFERENCE:	Not Applicable

Summary

Water Corporation has presented a Fixed Standpipe Water Supply Service Agreement for the Shire of Ashburton managed and maintained standpipe on Lot 71 McAullay Road, Onslow.

Council endorsement to execute the Agreement is requested.

Background

Onslow's standpipe, which provides potable water to maintain town facilities and undertake essential construction projects, is located on Lot 71 on Deposited Plan 21441, McAullay Road. Lot 71 is vacant Crown land, though Water Corporation have requested the creation of a Reserve for the purpose of "Water", with the Management Order granted in their favour.

The standpipe utilisation allowance has historically been set at 50 kL (50,000 litres) per day based on the Cane River bore field capacity. With the 50 kL per day limit, the Shire initiated a strategy that each user, can only consume a maximum of 10 kL per day, assuming a maximum of five users per day. This scheme was faulty as consumption was monitored on an honesty log book system with the data provided post consumption. Resultant, and due to the recent construction activities, water demand and consumption at the standpipe resulted in a concerning rise in consumption whereby residents water supply was being compromised. To avoid residential supply issues, a Shire funded swipe card system was put in place in 2017 whereby users prepaid and the valve deactivated when the daily 50 kL limit was reached. The 2017 upgrade of the standpipe facility also included a controller, RPZ valve and protective bollards. These works allowed remote access with administration by Onslow Reception.

PUBLIC AGENDA - ORDINARY MEETING OF COUNCIL 17 DECEMBER 2019

At the November 2018 Ordinary Meeting of Council, Councillors endorsed:

1. To retain the standpipe in McAullay Road, Onslow as a 80mm standpipe for commercial purposes;
2. Install a 80mm standpipe at the Shire Depot, Beadon Creek Road, Onslow for local government purposes at no cost to the Shire.

Comment

Resolution Number Two above is not considered viable due to the approximately \$30,000 to purchase and install. The Shire incurs a rate of \$2.534 per kL at the McAullay Road standpipe, which would be applicable if a standpipe was to be installed at the Shire Depot, negating the requirement to install a second asset.

Water Corporation has prepared an Agreement for Regional Fixed Standpipe Water Service for the 98 local governments within Western Australia. The 80mm meter on McAullay Road is for Potable Water and is charged according to the Commercial Standpipe (high flow) Fee. All other particulars in the Agreement are being met due to the Shire's ongoing management of the facility. The standpipe agreements have been drafted without a termination date to allow the Local Government to terminate when they no longer require the water. Termination of the Agreement by Water Corporation may occur if the Shire fails to comply with any of its Obligations. While there is no provision in the Agreement for the Shire to terminate, Water Corporation have advised that the Shire can terminate the service at any time, as per any water service operated by Water Corporation.

CONFIDENTIAL ATTACHMENT 13.1

By executing the Agreement, the Shire indemnifies Water Corporation against any loss or damage in connection with the Agreement or any failure by the Shire to comply with our obligations under the Agreement.

Financial Implications

The annual service charge for the 80mm standpipe is \$4,245.85. As at 1 July 2019, a commercial rate of \$8.353 per kL was actioned by Water Corporation for the standpipe. Shire consumption incurs a charge of \$2.534 per kL while fire-fighting consumption attracts a 100% discount. Consumption is captured through the Smart City Control program which is administered by Shire personnel with any Shire usage claimed back at the concessional rate via credit in the billing period following the claim.

Revocation of Minute No 454/2018:

Regulation 10 of the Administration Regulations, pursuant to section 5.25(1) (e) of the Act, establishes the circumstances in which an earlier decision of council or a committee may be revoked or changed. These circumstances apply only when a new decision of the council or committee would either reverse an earlier decision entirely, or result in a decision that is 'substantially different' from the earlier decision.

A notice of motion to revoke or change a previous decision of council or a committee must, in the first instance, be supported and signed by members (inclusive of the mover) numbering at least one third of the total membership, that being the total number of positions on the council or committee, whether vacant or not.

Officers Recommendation 1

That with respect to the Agreement for Fixed Standpipe Water Supply Service, Council:

1. Revoke Decision Number Two of Minute No. 454/2018 (as contained within this report) of the November 2018 Ordinary Meeting of Council; and namely;
 - . *Install an 80mm standpipe at the Shire Depot, Beadon Creek Road, Onslow for local government purposes at no cost to the Shire.*

Officers Recommendation 2

That with respect to the Agreement for Fixed Standpipe Water Supply Service, Council:

1. Authorise the Acting Chief Executive Officer to execute the Fixed Standpipe Water Supply Service Agreement between the Shire of Ashburton and Water Corporation for the standpipe located on Lot 71 on Deposited Plan 21441.

PREVIOUS MEETING REFERENCE:	Agenda Item 12.2 (Minute No. 613/2019) – Ordinary Meeting of Council 16 July 2019

Summary

In accordance with the Corporate Business Plan and the 2019/20 Annual Budget, a Housing Strategy for 2020-2025 has been developed for Council's endorsement.

Background

Developed alongside the Workforce Plan, and to inform the Long Term Financial Plan, the Housing Strategy addresses future planning and sustainability of suitable accommodation needs for current and future Staff.

Historically, housing was provided to higher level positions and, positions considered of a technical or specialist nature and unlikely to be sourced from existing residents, which was subjective and altered over time. More recently the vast percentage of new recruits have relocated from interstate or Perth and surrounds, putting a strain on housing stocks and availability. The provision of quality Staff housing is essential to attracting and retaining high quality Staff.

The Shire currently owns the following residential dwellings:

- Tom Price - 27 (two to be constructed)
- Paraburdoo - 10
- Onslow – 18

Leased properties comprise:

- Tom Price – 28 (\$431,657 per annum)
- Paraburdoo – 2 (\$32,800 per annum)
- Onslow – 14 (\$274,064.44 per annum)

Comment

The Housing Strategy provides a valuable insight into current and speculated financial costs associated with providing suitable accommodation to Staff.

ATTACHMENT 13.2

**PUBLIC AGENDA - ORDINARY MEETING OF COUNCIL
17 DECEMBER 2019**

The objectives of the Housing Strategy include, but are not limited to the following:

- Provide a clear direction to the Shire for preparation of existing and future requirements for Staff housing;
- Provide an estimated cost over the next five (5) years for budgetary consideration;
- Provide an estimated cost over the next five (5) years for the refurbishment and sustainability of existing Shire owned properties;
- Provide evidence based on exhaustive research as to the type of accommodation needed and projected over the next five (5) years;
- Implementation of programs with the view to increase the current energy efficiency levels to limit and reduce the out-of-pocket expenses; and
- Implementation of programs to increase the standard and amenity of the existing Staff accommodation.

The recent change in the housing directive has seen all full-time and ongoing part-time residential employees eligible to apply for accommodation or rent assistance. The Housing Strategy will provide clear direction for Shire Officers to follow with the ability of achieving a level of accommodation that will not only provide Staff with comfortable efficient accommodation, but assist with attraction and retention of Staff.

Based on historical data, the following projections are included in the Housing Strategy.

Tom Price

HOUSING TYPE	2019/20	2020/21	2021/22	2022/23	2024/25	Costs (Based on current market values)

The Housing Strategy provides a number of speculative measures, including number and type of suitable housing needs applicable to each town based on current population numbers and projected growth etc. , which can be adapted if the environment changes by possible population reduction or increase and the affect to Staff numbers associated with these changes. Based on a five year plan, the Housing Strategy will be reviewed as required with any proposed changes brought to Council prior to implementation.

Summary

Request for Tender (RFT) 09.19 Design and Construction of New (Staff) houses in Tom Price was issued via the Shire's e-tendering portal known as TenderLink on 25 October to the 28 November 2019 and advertised via state wide public notice in The West Australian Newspaper on the 26 October 2019.

Three (3) tenders (all conforming) were received in response to the RFT 09.19. The evaluation panel has completed its assessment of the submissions and makes its recommendation.

Council is requested to authorise the engagement of the preferred contractor to design and construct new residences at 215 Grevillea Street, Tom Price.

Background

The Shire's housing new build program was initiated to ensure all Shire owned housing was up to a live-able standard. During a Building Inspection Audit carried out by the Director Property and Development Services and the Housing Coordinator early this year, it was identified that the existing three bedroom, one bathroom single story dwelling at 215 Grevillea required extensive work and demolition was a more cost efficient alternative. Due to the current housing shortage, two three bedroom, two bathroom units will be built.

Having a new Shire house is a valuable tool to attract potential employees to work at the Shire. By engaging professional and skilled contractors, it can be expected that the new build will be completed to the highest quality and any ongoing maintenance costs can be reduced.

Financial Implications

The combined budgeted provision for Staff Housing - Refurbishments and Staff Housing – New Purchases is \$3,420,000 for the 2019/2020 financial year. The current budget expended for Staff Housing - Refurbishments and Staff Housing - New Purchases is \$830,168 leaving \$2,589,832. This remaining budget provision includes the works that are the subject of this report.

It needs to be noted, that the tendered amount exceeds the indicative amount at the time of adopting the Budget, by around \$300,000. Therefore if Council proceeds with the recommendation of this report, it is unlikely that some of the other indicative projects will be completed this financial year.

Summary

A request for Tender RFT 15.19 Urban Roads Asphalt Resealing Program was issued via the Shire's e-tendering portal known as TenderLink and advertised via state wide public notice in The West Australian Newspaper from 26 October 2019 to 12 November 2019.

Four (4) conforming tenders were received in response to RFT 15.19. The evaluation panel has completed its assessment of the submissions and makes its recommendation.

Infrastructure Services requests to engage a contractor to undertake the works required to carry out the Urban Roads Asphalt Resealing Program for a fixed term of 2 Years with an option to extend for a further 1 year at the Shire's request.

Background

A report regarding the sustainable renewal of urban roads was tabled at the Ordinary Meeting of Council held on the 12 February 2019.

This report put in place a systematic, transparent framework for the cost effective management of the Shire's Urban Road Network that will ensure that these roads continue to provide an acceptable level of service to the Shire's community and visitors alike, whilst enhancing asset management maturity and sustainability into the foreseeable future. The report also established a 15 year program of works to undertake this task based on road conditions.

The following works were carried out last financial year under the 15 Year Urban Roads Renewal Program:

This item has been evaluated against the Shire of Ashburton's Risk Management Policy CORP5 Risk Matrix. The perceived level of risk is considered to be 'Moderate' (consequences 'moderate', likelihood 'possible'). This level of risk is being driven by the possibility of significant flood events occurring that may interrupt, stop or damage the works. To reduce the possibility of such an event occurring the works will be undertaken outside of the wet season.

Policy Implications

Policy FIN12 Purchasing Policy. This Policy outlines how the Shire of Ashburton will deliver best practice in the purchasing of goods, services and works that align with the principles of transparency, probity and good governance whereby establishing efficient, effective, economical and sustainable procedures in all purchasing activities. This Policy was used to undertake the procurement process through a publicly advertised RFT.

Policy ENG09 Asset Management Policy. This policy has been developed to support effective asset management ensuring that all Infrastructure assets are well planned and delivered to the expectations of the community now and into the future.

Policy ENG13 Road Management Policy. This policy is required to set out a framework for making consistent, structured and justifiable decisions as to whether a gazetted road or area of land used as a road is reasonably required for general public use and is therefore considered to be a "Public Road".

Summary

A Request for Tender (RFT) 16.19 Paraburdoo Crib Room Refurbishment was issued via the Shire's e-tendering portal known as Tenderlink on the 30 October 2019 to 20 November 2019 and advertised via state wide public notice in The West Australian Newspaper on 30 October 2019.

Three tenders (two conforming) were received in response to the RFT 16.19. The evaluation panel has completed its assessments of the submissions and makes its recommendation.

Council is requested to authorise the engagement of a contractor to refurbish the Paraburdoo Depot facilities.

Background

The Shire of Ashburton depots are key service delivery hubs to the community. To ensure continued quality standards are met and depots have been identified to undergo upgrades that will improve the standards of safety and functionality.

The current condition of the Paraburdoo crib room and staff facilities has been found to be in need of refurbishment, this will bring it up to the same standard as the Tom Price facilities and soon to be built new Onslow building.

Comments

The facility upgrade will include the expansion of the staff crib room that will be merged with the current rear storage area. This will result in a more appropriately sized indoor area for staff to utilise for breaks and to retreat from the heat.

Installation of a new kitchenette, updated toilet suites, new hot water heater system and air-conditioner will form part of the fit out works. The current ice machine, water filter unit and fridge will be reinstalled as they have been deemed still fit for purpose, it was decided unnecessary to replace these at this time. A dividing wall will be installed to help reduce the odors from the adjoining dog and chicken areas, this along with a new patio roof and outdoor fans will improve the outdoor areas available to staff.

Summary

A Request for Tender (RFT) 17.19 Plant Tree and Landscaping Supplies was issued via the Shire's WALGA portal from 6 November 2019 to 25 November 2019.

Two tenders (both conforming) were received in response to the RFT 17.19. The evaluation panel has completed its assessments of the submissions and makes its recommendation.

Council is requested to authorise the engagement of suitable contractors on an ongoing basis to carry out the requirements of this request.

Background

The Shire of Ashburton understands that the vegetative enhancement in the form of tree and shrub planting has been found to be a highly effective strategy for cooling urban environments, encouraging outdoor activity, improving mental well-being, assisting with carbon sequestration, soil amelioration and providing habitat and greater biodiversity in urban environments.

Comments

We intend to engage suitable contractors to supply and deliver suitable quality plants, trees and landscaping supplies for use throughout all of the Shire town sites.

Through the implementation of an ongoing contract we envisage that the Shire will benefit in better quality products and pricing as well as more prompt turnaround times with our requests for supply. The term of this contract will be initially for two years with an option of one year extension dependent on contractor performance.

As no one contractor was able to supply all of the requirements of the request, we would like to award the contract to two suppliers for differing products.
