Report Purpose

The Community Grants Committee (the Committee) is required to consider the Community Support Grant applications in accordance with Council Policy – Community Donations, Grants and Funding.

The purpose of this report is to provide the applications received for Community Support Grants (refer to Attachment 1) to the Committee for review. At the close of the application period, 13 applications were received.

Council is requested to support the Committee's recommended outcome for each application.

Background

The Shire provides Community Support Grants in accordance with Council Policy – Community Donations, Grants and Funding.

Grants are offered in two funding rounds each year, in July and February. There are two Tiers to this grant round as recently adopted by Council.

Tier 1 offers a value up to $2,500 and Tier 2 offers a value of up to $5,000. Applications are considered by the Community Grants Committee for subsequent recommendation to Council for determination.

Council Policy – Community Donations, Grants and Funding require, as a minimum, the following criteria must be met to be successful:

- Applicant is to reside or operate within the Shire or be able to show a direct and substantial benefit to residents within the Shire.
- Assistance is not available retrospectively.
- Funds are to be used only for the purpose for which they are given or via agreed variations.
- Successful applicants are required to complete an acquittal report and submit this to the Shire within three months of the agreed completion date.

- Applicants who do not submit an acquittal will not be considered for future funding and they may be requested to return unused funds.

Comments

Round 2 of the Community Support Grants was promoted directly to clubs and organisations via email, and notices were placed on the Shire's public noticeboards, website and social media platforms.

Given the recent introduction of both the Council policy and the Community grant guidelines, we made it a priority to reach out to every applicant from the past two years. Each individual was personally invited to participate in a one-on-one Teams meeting, providing an opportunity to discuss any potential projects and clarify the application process.

At the close of the Round 2, 13 total applications were received, as follows:

- Onslow – three (3) application,
- Pannawonica – two (2) applications,
- Tom Price – six (6) applications,
- Paraburdoo – two (2) applications.

Furthermore, each applicant at the close of the round was contacted individually to discuss their application and followed up with an email requesting any supporting information. There are a number or groups that are still following up information, and if an application is approved, they have been advised that funds cannot be released without the supporting information.

All applications have been assessed on the:

- criteria outlined in Council Policy – Community Donations, Grants and Funding,
- general conditions, and
- criteria and compliance information provided.

The table below provides a summary of the applications received (refer to Attachment 2 for further information).
