Attachments	1. Financial Report - 2024/25 Shire of Ashburton 2. Independent Auditor's Report 2024/25 3. Management Letter - Financial Audit 2024/25

Report Purpose

The purpose of this report is to present to the Audit, Risk and Improvement Committee (ARIC) the 2024/2025 Annual Financial Report and Audit Report provided by the Office of the Auditor General (OAG).

The ARIC is requested to endorse and recommend the Annual Financial Report and Auditors Report for the 2024/2025 financial year to Council for adoption.

Background

Council is required to prepare a financial report and present it to the Council's auditor by 30 September each year. This has been completed by officers with the Annual Financial Report and Independent Audit Report presented at Attachments 1 and 2. (Note the Independent Audit Report will be provided by the OAG prior to the meeting scheduled to commence at 6.00pm on Monday 24 November 2025)

The *Local Government Act 1995* (Act) requires that the audit report be examined by the local government to determine if any matters raised in the report require action to be taken. After considering the audit report, the local government is to prepare a report on any actions to be taken in response to the audit report and to forward a copy of that report to the Minister for Local Government.

Comments

Council has received an unqualified or “clean” audit report from the OAG with the opinion stating that:

“In my opinion, the financial report is:

- *based on proper accounts and records*
- *presents fairly, in all material respects, the results of the operations of the Shire for the year ended 30 June 2025 and its financial position as at the end of that period*
- *in accordance with the Local Government Act 1995 (the Act) and, to the extent that they are not inconsistent with the Act, the Australian Accounting Standards.”*

Management Letter – Financial Audit (Attachment 3)

Each year, the OAG issues a Management Letter of findings that have the potential to impact future audit opinions if not addressed. This provides the opportunity for management to focus control improvement efforts during the coming year.

The 2024/2025 audit confirms continued strong progress in the Shire’s financial management with clearance of historical items and a reduction in the number and severity of findings. This is displayed in the table below

Rating	2020/21	2021/22	2022/23	2023/24	2024/25
Significant	5	8	5	1	0
Moderate	4	2	1	3	1
Minor	0	1	1	0	1
Total	9	11	7	4	2

The 2024/2025 Financial Management letter contains only two items. One was a complete oversight in the capitalisation of a large, gifted asset (property) and the other relating to the accuracy of supporting asset data for asset additions.

The findings and recommendations have been reviewed by management and management comments are provided for within the report addressing each finding raised. The outstanding findings will actively form part of the 2025/26 internal audit program.

Management Letter – IT General Controls – Nil findings

The OAG is progressively completing an IT General Controls audit of all local governments. The Shire was one of the first local governments to go through this process in 2021.

Limited progress had been made to address the outstanding issues until July 2023 when the Shire engaged external assistance to plan improvements in all these areas.

Efforts by staff during 2024/2025 have been exceptional with all outstanding issues cleared and no new findings raised. The Shire is one of only a few local governments to have achieved a clean ITGC audit.

Planning is also underway for the Shire to complete an Australian Signals Directorate Essential 8 maturity assessment in 2026. Staff are optimistic that the Shire may have achieved maturity level 2 which would provide further assurance in this increasingly complex area.

The rapid improvement in IT General controls is displayed below:

Rating	2020/21	2021/22	2022/23	2023/24	2024/25
Significant	1	2	2	0	0
Moderate	6	7	4	0	0
