# Message from the **Shire President**

The Shire of Ashburton is committed to and achieving considerable social and capital investment across the region.

> On behalf of Council, I am pleased to present the Corporate Business Plan 2023-2027 for the Shire of Ashburton.

Council is proud of the capital projects delivered to the community as outlined in the previous Corporate Business Plan 2019-2023 including:

- Paraburdoo Community Hub and related facilities
- Onslow Community Boating Precinct
- Tom Price Bike Park Project
- Tom Price Childcare and Emergency Services Precinct
- Paraburdoo and Tom Price Multipurpose Courts

These projects highlight Council's ongoing commitment to providing key services to our community.

In February 2022, Council adopted the Strategic Community Plan 2022-2032. This new Strategic Community Plan provides valuable insight into the key issues and aspirations held by the local community.

The Corporate Business Plan 2023-2027 is aligned to this new Strategic Community Plan and translates Council's vision of being a welcoming, sustainable, and socially active district into deliverable actions.

We have recognised our progress, and identified the need to ensure the Shire has the resource capacity to maintain and improve both our infrastructure and our current levels of services to community.

Council is committed to providing capital projects and services to the towns of Onslow, Paraburdoo, Pannawonica, and Tom Price over the next four years, including the Onslow Sun Chalets Improvement Program, Tom Price Administration Facility, and Minna Oval Sports Pavilion.

The Shire can deliver a number of the key capital projects outlined in this Plan through community partnerships with Rio Tinto and the Chevron Operated Wheatstone Project. Council thanks both Rio Tinto and Chevron for their ongoing commitment to the Shire of Ashburton.

Thank you also to my fellow members of Council and Shire of Ashburton staff for their ongoing commitment to delivering capital projects and key services that continue to provide opportunities to our community.

# Message from the **Chief Executive Officer**

The Shire of Ashburton Corporate Business Plan 2023-2027 is an important document that sets clear goals and provides the necessary direction to deliver the strategic objectives set by the community in our Strategic Community Plan 2022-2032.

We are privileged to service a richly diverse community in a unique Pilbara environment whose needs continue to grow and change. Our distinctive situation of four towns across a land area half the size of Victoria means it is important to have in place clear plans and a strong vision that ensures a thriving and sustainable future for both our community and economy.

Over the next four years, the Shire will work closely with stakeholders, community members, and funding partners to deliver Council's vision of being a welcoming, sustainable, and socially active district, offering a variety of opportunities to community.

We aim to commence or complete the following major projects which are aligned with our community's priorities including:

- Onslow Sun Chalets Improvement Program
- Tom Price Administration Facility
- Minna Oval Sports Pavilion
- Ocean View Caravan Park

In this Plan, we have identified the importance of understanding community aspirations, and remaining agile to the ever-changing needs of our community to ensure we provide good governance and deliver quality services and outcomes.

I look forward to working with Shire staff to ensure we have the capability and a collaboration of knowledge and experience to fulfil Council's objectives, working with our industry partners to achieve future growth and improvements for our towns, and continuing to provide to the State and the national economy as a significant contributor.

## **Organisational Structure**

Following the adoption of the Strategic Community Plan in 2022, the organisation structure was reviewed and realigned to ensure the organisation was adequately resourced to deliver its objectives.

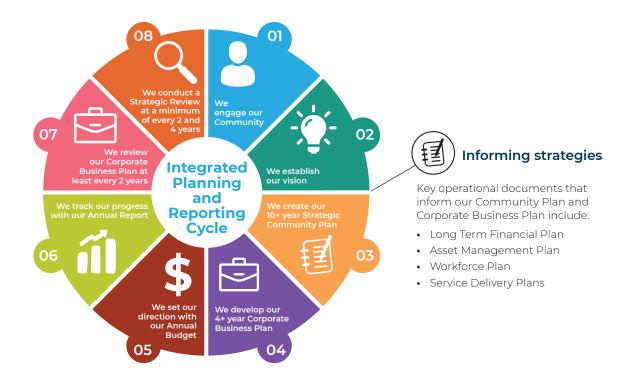

# Integrated Planning and Reporting Framework

This Corporate Business Plan 2023 – 2027, together with the Strategic Community Plan 2022 – 2032, is the Shire of Ashburton's Plan for the Future and has been prepared to achieve compliance with section 5.56 of the Local Government (Administration) Regulations 1996.

In accordance with regulation 19DA(3) of the *Local Government (Administration) Regulations 1996*, a Corporate Business Plan is to:

- a) set out, consistent with any relevant priorities included in the Strategic Community Plan for the district, a local government's priorities for dealing with the objectives and aspirations of the community in the district; and
- b) govern a local government's internal business planning by expressing a local government's priorities by reference to operations that are within the capacity of the local government's resources; and
- c) develop and integrate matters relating to resources, including asset management, workforce planning and long-term financial planning.

In the preparation of the annual budget the Shire will have regard for the contents of the Plan for the Future in accordance with section 6.2(2) of the Local Government Act 1995.

# **Strategic Community Plan**

In February 2022, Council adopted the Strategic Community Plan 2022-2032.

The Strategic Community Plan is a 10-year strategy and planning tool and is the principal guiding document for the Shire's strategic planning. As part of the development of the Strategic Community Plan, the community were invited to share their vision, aspirations and objectives for the future of the Shire of Ashburton.

The new Strategic Community Plan provides valuable insight into the key issues and aspirations held by the local community. Importantly for the Council, these views help to establish clear priorities and shape the vision, values, objectives and strategies contained within the Strategic Community Plan. The following four key strategic objectives are defined within the Plan as follows:

- People We will support opportunities for the community to be safe, socially active, and connected.
- Place We will provide sustainable, purposeful, and valued built and natural environment opportunities for community.
- Prosperity We will advocate and drive opportunities for the community to be economically desirable, resilient, and prosperous.
- 4 Performance We will lead the organisation, and create the culture, to deliver demonstrated performance excellence to the community.

# **Corporate Business Plan**

The Corporate Business Plan is a four-year plan and is aligned to the Strategic Community Plan which translates the community's priorities into deliverable actions.

Achieving the community's vision and the Shire's strategic objectives requires the development of actions to address each strategy contained within the Strategic Community Plan. Careful operational planning and prioritisation is required to achieve the objectives and desired outcomes due to the limited resources available. This planning process is formalised by the development of our Corporate Business Plan.

In accordance with statutory requirements, the Corporate Business Plan is reviewed and updated annually to assess the progress of projects and realign the Plan's actions and priorities based on current information and available funding.

### Long-Term Financial Plan

The Long-Term Financial Plan informs the decision-making during the preparation and finalisation of the Strategic Community Plan and the Corporate Business Plan.

#### It encompasses:

- · projected revenue and expense
- planning assumptions used in developing the Plan
- · factors most likely to influence the Plan
- high-level financial modelling for different scenarios
- · links to the Workforce Plan, Asset Management Plan/s, and Service Delivery Plans, and
- · methods for monitoring financial performance.

The Shire of Ashburton is planning for a positive and sustainable future. The Shire seeks to maintain, and where possible, improve service levels into the future while maintaining a healthy financial position.

### **Annual Budget**

The Shire develops an annual budget based on the Integrated Planning and Reporting Framework which incorporates services, projects and programs to be undertaken during the financial year.

## Strategic Asset Management Plan

Asset management is a comprehensive, structured approach to the long-term management of assets to ensure the efficient and effective delivery of community benefits. The Shire of Ashburton's asset management intent is ensuring assets are operated and maintained on a day-to-day basis and well planned for in the longer term to serve the community's needs now and in the future.

The Strategic Asset Management Plan outlines the strategies and guidelines that enable our organisation to effectively deliver assets that align with our objectives.

## Workforce Plan

The Workforce Plan addresses the human resource requirements of the Strategic Community Plan and the Corporate Business Plan.

Workforce constraints have been considered during the development of this Corporate Business Plan.

## Reporting

Quarterly progress reports will be submitted to Council on the implementation of the Corporate Business Plan. These reports summarise the progress of projects and measures of success as key deliverables for the year.

Annual performance is also reported in the Shire's Annual Report.

Regular reporting ensures we continue to work towards delivering actions that are aligned with achieving the community's aspirations identified in the Strategic Community Plan and the priorities of Council.

# **Highlights** from the Corporate Business Plan 2019-2023

The Shire of Ashburton delivered a large number of capital projects to the community, reflective of the projects highlighted in the 2019-2023 Corporate Business Plan.

Capital projects included the Paraburdoo Community Hub and related facilities, the Onslow Community Boating Precinct, the Tom Price Pump Track and Skatepark upgrades, the Tom Price Childcare and Emergency Services Precinct, and the Tom Price and Paraburdoo Multipurpose Courts.

#### **Paraburdoo Community Hub**

Made possible with funding from the Shire of Ashburton, Rio Tinto and the State Government's Royalties for Regions program through the Pilbara Development Commission, the Paraburdoo Community Hub was an eagerly anticipated addition to Paraburdoo. The development of the Hub creates the ability to encourage greater social participation that fosters opportunity and a more connected community. It will enhance the liveability and vibrancy of Paraburdoo by supporting programmes and vital services that generate a sense of belonging to the town.

#### **Onslow Community Boating Precinct**

The Onslow Community Boating Precinct is intended for use by recreational boaters and tourism/charter operators to include a new boat ramp and small marina with suitable space for the development of fully serviced boat pens. Demolition of the old boat ramp and associated structures was completed in September 2022, with the Department of Transport completing the ramp and central holding jetty in July 2022, along with associated dredging, construction of revetments, and landside hardstand as part of the first stage of the precinct. The proposed Stage 2 includes fully serviced boat pens, public jetties and berthing, completed landscaping and car parks, serviced development lots, community open space and ablutions. The project is funded by the Shire of Ashburton and supported by the Chevron Operated Wheatstone Project, the Commonwealth Recreational Fishing and Camping Facilities Program, and the State Government.

#### **Tom Price Pump Track**

In November 2022, the Shire was able to officially open the Tom Price Pump Track. As part of an overall \$1.6M Bike Park project, the pump track was designed by Common Ground Trails in consultation with community and Council's vision for the facility.

#### Tom Price Childcare and Emergency Services Precinct

Also in November 2022 was the official opening of the Tom Price Childcare and Emergency Services Precinct. The \$6.75M modern childcare facility offers 96-spaces through the provision of day-care, after school care and vacation programs in a purpose-built environment that will foster learning and creativity. This project was funded by the Shire of Ashburton and Rio Tinto.

The combined, fit-for-purpose Emergency Services Precinct now houses the Bush Fire Brigade (BRB) and State Emergency Services (SES) in one accessible location. This project was funded by the Shire of Ashburton, the Department of Fire and Emergency Services, and Rio Tinto.

#### **Paraburdoo and Tom Price Multipurpose Courts**

In June 2023, the Shire formally opened the renovated Paraburdoo and Tom Price Multipurpose Courts. Funded in partnership by the Shire of Ashburton and Rio Tinto, the shaded courts and amenities improve the playing conditions for our local basketball and netball teams.

The Shire recognises the need to improve, upgrade and develop modern and fit for purpose community amenities and to provide our community with facilities that encourage vibrancy and connection within Tom Price, Onslow, Pannawonica, and Paraburdoo.

# **Capital**Projects

A number of projects are forecast to be undertaken during the life of the Plan, which result in additional capital expenditure. The projects include new, expansion, upgrade and renewals of assets and are detailed in the forecast capital expenditure provided in the Long-Term Financial Plan.

A number of the projects listed in the Long-Term Financial Plan are reliant on external contributions, should these not be received the project may be deferred until adequate funding is available.
